WELCOME, NEW STUDENTS!

We are delighted you have chosen to pursue your bachelor’s degree at Oklahoma State University and join the Cowboy family!

As a premier land-grant university, OSU improves and influences the state, the nation and the world through instruction, research and the sharing of talent and knowledge. You will learn from — and work with — world-class professors and researchers in whichever major you choose.

The core of Oklahoma State’s mission is service. By getting involved on campus, you can make a positive difference at OSU. Through campus organizations and activities, you will develop and strengthen your full leadership potential.

We also encourage you to take advantage of the diverse cultural opportunities at OSU. With more than 100 countries represented on campus, you can learn more about our world by interacting with other students and learning about their cultures.

Again, we extend a warm Cowboy welcome. Your time here will be a life-changing experience. Make the most of it — and Go Pokes!

V. Burns Hargis

The Division of Student Affairs encourages you to explore everything OSU has to offer and seek out a meaningful college experience through becoming connected, learning and maintaining wellness. Throughout your years at Oklahoma State, you will be exposed to each of the following areas through a variety of programs and services that will help you succeed in school and life.

#Iamokstate

I Am Connected.
Many times it’s all about connections, right? At OSU we encourage our students to become connected and grow as leaders. The university has many opportunities including living communities, jobs, student organizations, college involvement and memberships in diverse groups. Take advantage of everything OSU has to offer.

I Am Learning.
The Division of Student Affairs wants you to learn both in and outside of the classroom. It is the division's hope that students will become part of a community of learners and gain understanding, expertise and insights. There are many ways to learn at OSU at all levels, including academic programming, workplace experience, service-learning and so much more.

I Am Well.
Keeping yourself well is essential to a positive student experience. Being a part of America’s Healthiest Campus, there are many services and programs offering assistance physically, psychologically, financially and socially. Remember, there is only one you. Take care of yourself and make wellness a priority.

Finally, be sure to inspire others by sharing your #iamokstate passions, stories and interests. Among the best resources on this campus are the extraordinary students, and we want you to be part of our story. You can participate simply by tagging #iamokstate on your favorite social media platforms and highlighting what OSU means to you.

The division has also created a set of web resources at iam.okstate.edu. We encourage you to explore the site and learn more about the division’s offerings. There are many wonderful programs and services available to assist you and get you started with your career at Oklahoma State.
FOUNDED ON DEC. 25, 1890,

only 20 months after the Land Run of 1889, Oklahoma State University began as Oklahoma Agricultural and Mechanical College, the state’s land-grant institution. When the first students assembled for class in 1891, no buildings, books or curriculum existed. It took 2½ years after classes began in local churches for the college’s 144 students to move into the first academic building, Old Central. Oklahoma A&M’s first commencement, with six graduates, was in 1896.

Land-grant institutions were created during Abraham Lincoln’s presidency to provide all citizens with greater access to a college education. OSU continues that land-grant tradition today. The large and comprehensive Stillwater campus comprises 27,819 acres and 493 buildings, all while maximizing the personal attention given to each student.
CAMPUS TRADITIONS

Oklahoma State University is steeped in tradition. Here are a few of our favorites to help you better understand the true meaning of our Cowboy spirit.

ALMA MATER

The OSU Alma Mater hymn was written by Robert McCullough in 1957. Students and alumni link arms and sway as the Alma Mater is played at sporting events and campus ceremonies. The tune can also be heard several times daily across campus from the library bell tower. Just remember, the left arm goes up on the “S” at the end.

ALMA MATER HYMN LYRICS

Proud and immortal
Bright shines your name
Oklahoma State
We herald your fame
Ever you’ll find us
Loyal and true
To our alma mater
O - S - U

THETA POND

The pond, built in 1895, was originally known as Horse Pond because it provided water to the horses and other livestock housed nearby in the horse barn. After the barn burned in 1922, the pond became known as Theta Pond, drawing its name from the Kappa Alpha Theta sorority located across what was then College Avenue (now University Avenue). During the past 60 years, Theta Pond has undergone numerous renovations, including expansion, lighting and landscaping. It is customary for people to be “ponded” on special occasions. We don’t recommend it, however. There are even stories of the Sirloin Stockade cow visiting the pond on occasion.

BULLET AND THE SPIRIT RIDER

A rider carrying the OSU flag rides a dark horse onto Lewis Field at the beginning of each home game and after each touchdown. The “Spirit Rider” tradition began in 1984 when student John Beall became the first rider, using his own horse. OSU purchased its own Spirit Rider horse in 1988 and named him “Bullet” through a contest in the student newspaper.

PISTOL PETE

Until 1923, OSU’s mascot was a tiger, adopted from Princeton University, whose colors were orange and black. At that time, students were looking for a mascot with a better Oklahoma fit. During their search, a group of students saw Frank “Pistol Pete” Eaton riding in a parade and decided to adopt his likeness as their mascot. Eaton served the university for 35 years, appearing at athletic events, building dedications and other university events and was eventually inducted into the National Cowboy Hall of Fame. Each year, two students portray the animated gunslinger Pistol Pete and appear at more than 500 events as a symbol of the university’s fighting spirit.

HOMECOMING

Homecoming has been a tradition at OSU since 1914 and was originally held in conjunction with the annual Harvest Carnival. It became a separate event in 1921 and has become one of the nation’s largest homecoming celebrations. Today, OSU’s homecoming draws crowds in excess of 80,000 to Stillwater, with events such as the Harvest Carnival, sign-painting competition, walk around, pep rally and the parade. The Edmon Low Library fountain is dyed orange during homecoming.
ORANGE FRIDAYS
In a show of orange pride, then-President James Halligan encouraged the university to wear orange on the Fridays before football games. Today, every Friday is an orange Friday. On game days, Boone Pickens Stadium is filled with orange as well.

THE WALK
On game day, two hours and 15 minutes prior to kickoff, the football team walks down Hester Street to Boone Pickens Stadium. Fans gather on the side of the street and cheer their Cowboys on to victory.

OSU SPIRIT RUN
During the second half of OSU home basketball games, a member of the OSU Spirit Squad runs around the upper level of the arena carrying a huge OSU flag while the Spirit Band plays the William Tell Overture. The flag is passed to other members of the Spirit Squad until it arrives to the center of Eddie Sutton Court to be waved until the end of the song.

Oklahoma State University is committed to making information about the university easily accessible.

The Office of Institutional Research and Information Management provides comprehensive data and a thorough look at OSU’s divisions, colleges and departments, helping students and parents make informed decisions. The following information is housed at osuledgers.okstate.edu. Academic Ledgers contain a five-year history of student, faculty, research and financial information, as well as tuition/mandatory fee rates. The academic ledgers are available for the entire university, every academic college and each college’s departments. In order to easily identify information reported for external rankings (e.g. U.S. News & World Report’s Best Colleges and Top American Research Universities), these categories are color-coded in red or blue in the university and college ledgers.

- Student Profile contains additional student information, including the geographic origins of OSU students, enrollment trends, academic information and enrollment projections.
- Diversity Ledger is a five-year history that provides a more detailed breakdown of OSU’s students, faculty and staff.
25,254 students enrolled on the OSU-Stillwater, OSU-Tulsa and Center for Veterinary Health Sciences campuses

UNDERGRADUATE STUDENTS

- 70% of undergraduate students were Oklahoma residents
- 26% came from other states
- 4% came from other countries
- 51% men, 49% women, 29% minority

ACADEMIC PROFILE

OSU offers more than 200 undergraduate majors,

two undergraduate certificate programs, opportunities for Honors College awards and degrees, programs for pre-law, pre-medicine and pre-health professions, second majors and second degree options.

STUDENT PROFILE

(Fall 2017 — OSU-Stillwater Campus)

- 17,410 Returning students
- 4,220 New freshmen
- 2,574 Transfer students
- 24,274 Total students
- 449 Readmission students
- 126 Non-degree-seeking students
- 107 Concurrent students

FACULTY PROFILE

(Fall 2015)

- 1,048 Total full-time instructional faculty members
- 41% female faculty members
- 18% are persons of color
- 74% have the highest academic degree offered in their field of study
- 35% classes that have fewer than 20 students

Student-to-faculty ratio: 20:1
OSU encompasses five distinct administrative areas: Academic Affairs, Student Affairs, Institutional Diversity, Enrollment Management & Marketing, and Administration and Finance. Each area provides very specific guidance for OSU’s campus.

**ACADEMIC AFFAIRS**

*Dr. Gary Sandefur, Provost and Senior Vice President*

101 Whitehurst  
405-744-5627 | academicaffairs.okstate.edu

Academic Affairs provides guidance for areas directly related to the university’s academic endeavors, including student records and academic instruction. Academic Affairs includes offices related to academic success, encompassing academic advising, faculty support, Scholar Development, The Honors College, University Assessment and Testing, International Outreach, the Office of the Registrar, Academic Services for Student-Athletes and University College Advising.

**ADMINISTRATION AND FINANCE**

*Joe Weaver, Vice President*

208 Whitehurst  
405-744-2690 | vpaf.okstate.edu

Administration and Finance oversees the planning, design and implementation of the university’s financial and business service operations. Administration and Finance areas include the Office of the Bursar, Budget and Asset Management, Human Resources, Parking and Transit Services, Information Technology and Public Safety.

**ENROLLMENT MANAGEMENT AND MARKETING**

*Kyle Wray, Vice President*

218 Student Union  
405-744-4366 | emm.okstate.edu

Enrollment Management and Marketing provides the “face” of OSU to incoming students, families, alumni, campus visitors and prospective student programs. Areas of leadership include Undergraduate Admissions, Scholarships and Financial Aid, New Student Orientation & Enrollment, Office of First Year Success and University Marketing.

**INSTITUTIONAL DIVERSITY**

*Dr. Jason Kirksey, Vice President*

408 Whitehurst  
405-744-9154 | diversity.okstate.edu

The Division of Institutional Diversity works to engage the OSU community with progressive programs and initiatives focused on embracing, enhancing, celebrating and promoting diversity and inclusiveness. Our goal is to cultivate campus communities that not only are open, welcoming, and respectful, but also promote the continuous increase of cultural awareness and understanding throughout the OSU community.

**STUDENT AFFAIRS**

*Dr. Lee Bird, Vice President*

201 Whitehurst  
405-744-5328 | studentaffairs.okstate.edu

Student Affairs provides leadership for nonacademic instruction areas essential to the university. All areas of Student Affairs come in contact with students’ academic efforts and support the primary academic mission of the university. Primary areas of oversight include Leadership and Campus Life, Department of Wellness, Career Services, Residential Life, the Student Union, University Counseling Services and University Health Services.
FIRST-YEAR CHECKLIST

**Academics**
- Meet with your academic adviser regularly to discuss interests and options and receive referrals to other campus resources.
- Discuss all major areas of study that interest you. Form a plan of action for narrowing your academic focus or blending majors and minors.
- Look for ways to develop your own version of your degree program through special programs, concentrations of coursework and exchange or study-abroad programs.
- Set a desired GPA each semester, and strive to reach it by using tutoring resources and study groups.
- Attend academic improvement workshops (First Year Success, LASSO, your academic college and your learning community will offer opportunities for these).
- Check your O-Key email and Online Classroom accounts regularly to be sure you receive all announcements from your professors.
- Learn all you can by investigating potential degree programs and visiting faculty members to further discuss potential areas of study.

**Career**
- Establish relationships with faculty members, academic advisers, peers, deans, staff and administrators.
- Develop your communication skills, both oral and written (LASSO success coaches and the Writing Center are great resources).
- Become familiar with the services provided by HireOSUgrads.com and college career consultants early so you can develop a career plan that complements your academic plan.
- Obtain relevant work experiences through internships, co-ops, volunteer work, part-time jobs and summer jobs.
- Write a résumé and have Career Services review it to determine areas for development.
- Attend career development workshops to connect academic and career goals.

**Personal**
- Stay in contact with family and keep them informed about your college experience.
- Maintain a healthy lifestyle by using wellness services on campus, such as the Colvin Recreation Center and wise dining choices.
- Follow an appropriate sleep schedule.
- Assess your health at the Seretean Wellness Center.
- Strive to meet new people and build relationships in your living community (that means getting out of your room and joining the fun on your floor).

**Campus Involvement**
- Identify and join student organizations or volunteer activities that will provide leadership opportunities while you explore interests and build skills.
- Connect with student groups and campus activities through CampusLink.
- Join a major, college, or department-related student group.
- Identify campus resources and get to know OSU and the Stillwater community.
- Read the O’Colly, the sidewalks and the signs around campus so you won’t miss opportunities and club meetings you want to attend.
FINDING YOUR PURPOSE

CHOOSING YOUR MAJOR

Choosing an academic path to fit your interests and aptitudes isn’t always easy, especially when careers aren’t always directly linked to undergraduate degrees. In fact, degrees often lead to a variety of career choices depending on how you focus your interests, knowledge and abilities. Your experiences in and out of class, along with self-assessments like “MyMajors,” and help from your academic adviser and OSU Career Services consultant, can help you discover the right fit for you.

WHAT DEGREE PATH SHOULD YOU TAKE?

If you have a specific career in mind, the best starting point is researching degree paths that usually support it through online searches, personal contacts and your OSU resources. A great place to start is the Career Services website at HireOSUgrads.com. Click on the “Explore Careers” tab for resources and online career assessments. In addition, take advantage of OSU’s “MyMajors” tool. This interactive website will help identify how your aptitudes, knowledge and strengths lend themselves to OSU degree programs. Your results will link you to majors and options identified as a best fit for you. MyMajors takes approximately 15 minutes to complete. For more information, visit okstate.mymajors.com.

OTHER OPTIONS:

1. Visit okstate.edu and read the home pages for each degree area and its options.
2. Read the course descriptions listed in the university catalog for any potential degrees. This will give you an idea of the types of classes you will take for each major. View it online at registrar.okstate.edu/university-catalog.
3. Talk to people working in the field or in related areas and ask questions about how they earned their positions and what they studied (or wish they had studied).

For your first enrollment, you don’t have to know exactly where you’re headed, but you should have a few options in mind. If you’re looking at multiple areas, choose the degree program with the least flexibility to start. For instance, if you’re equally interested in graphic design and marketing, you might begin in graphic design, where the first semester coursework should include Drawing I. Marketing is slightly more flexible and will allow for transfer of classes to its program should you change your major within your first or second year. Your academic adviser will help you choose the most appropriate courses for your current academic and career focus.
UNDERGRADUATE DEGREE MAJORS & OPTIONS

Some program requirements provide flexibility for combinations of majors and minors without adding extra hours to your degree. OSU offers double majors, double degrees, degree minors and certificates of study. The majors and options offered at OSU for the 2017-2018 academic year are listed below.

COLLEGE OF AGRICULTURAL SCIENCES & NATURAL RESOURCES (CASNR)

Agribusiness
• Agricultural Communications Double Major
• Crop and Soil Sciences
• Farm and Ranch Management
• International
• Pre-Law

Oklahoma State University has many resources to help you be successful during your college career and beyond. The process begins with your academic adviser and the enrollment process. You will be using tools such as myOKSTATE, academic assistance in the LASSO tutoring center or Office of First Year Success, and involvement in student organizations in Leadership and Campus Life. You will end with professional development opportunities from Career Services (HireOSUgrads.com) and connections for life through the OSU Alumni Association. Let’s begin with your student portal, myOKSTATE.

**myOKSTATE**

The **myOKSTATE Portal** is your go-to for:
- Online Classroom.
- Email - Orange and Cowboy Mail.
- OKEY - Personal information, including passwords.
- The Star System - Advising portal.

Within the **Self-Service** section, you can:
- Update your personal information (addresses and phone numbers).
- Register for or drop classes.
- View academic transcripts.
- Accept financial aid.
- Learn about cost of attendance.
- Edit proxy permission.

OSU student employees will also have access to an “Employee” tab.
Please note this calendar is tentative and should be used for basic planning. For an official calendar, check the registrar’s website at the beginning of each semester.

**Summer 2018**

**SUMMER PRE-SESSION — MAY 21-JUNE 8**
- Class work begins: May 21
- 100% refund, nonrestrictive drop/add deadline: May 21
- 50% refund, restrictive drop/add deadline: May 22
- University holiday: May 28
- W drop/withdraw deadline: June 5
- W/F withdraw deadline: June 6
- Class work ends: June 8

**SUMMER 8 WEEK — JUNE 11-AUG. 3**
- Class work begins: June 11
- 100% refund, nonrestrictive drop/add deadline: June 13
- Partial refund, restrictive drop/add deadline: June 15
- University holiday: July 4
- W drop/withdraw deadline: July 20
- W/F withdraw deadline: July 27
- Class work ends: Aug. 3

**4 WEEK SESSION I — JUNE 11-JULY 6**
- Class work begins: June 11
- 100% refund, nonrestrictive drop/add deadline: June 12
- 50% refund, restrictive drop/add deadline: June 13
- W drop/withdraw deadline: June 29
- University holiday: July 4
- W/F withdraw deadline: July 5
- Class work ends: July 6

**4 WEEK SESSION II — JULY 9-AUG. 3**
- Class work begins: July 9
- 100% refund, nonrestrictive drop/add deadline: July 10
- 50% refund, restrictive drop/add deadline: July 11
- W drop/withdraw deadline: July 27
- W/F withdraw deadline: Aug. 1
- Class work ends: Aug. 3

**Fall 2018**

- New student move-in: Aug. 15
- Welcome Week: Aug. 15-19
- Final enrollment date (late fee assessed after this date): Aug. 17
- Class work begins: Aug. 20
- 100% refund, nonrestrictive drop/add deadline: Aug. 27
- Partial refund, restrictive drop/add deadline: Aug. 31
- University holiday: Sept. 3
- Students’ fall break (no classes, OSU open): Oct. 19
- W drop/withdraw deadline: Nov. 9
- Students’ Thanksgiving break begins (no classes): Nov. 21
- University holiday: Nov. 22-23
- W/F withdraw deadline: Nov. 30
- Pre-Finals Week: Dec. 3 - Dec. 7
- Class work ends: Dec. 7
- Finals Week: Dec. 10-14
- University holiday: Dec. 24-Jan. 1

**Spring 2019**

- Class work begins: Jan. 14
- University holiday: Jan. 21
- 100% refund, nonrestrictive drop/add deadline: Jan. 22
- Partial refund, restrictive drop/add deadline: Jan. 25
- Students’ spring break (no classes, OSU open): March 18-22
- W Drop/withdraw deadline: April 12
- W/F withdraw deadline: April 26
- Pre-Finals Week: April 29-May 3
- Class work ends: May 3
- Finals Week: May 6-10
Courses required of all students by the State Board of Regents form a common base of experience for all degrees. Each college may add to or require specific courses within the general education requirements for degree programs if deemed prerequisite work for major requirements. Code letters found below appear with the course titles listed in the catalog and class schedules.

When you visit with your academic adviser, he or she will discuss the degree sheet and four-year plan (example found on page 21) for your chosen major.

The code letters listed below designate the general education categories.

A = Analytical and Quantitative Thought  
H = Humanities  
S = Social and Behavioral Sciences  
N = Natural Sciences  
L = Laboratory Science  
I = International Dimension  
D = Diversity

General education course lists are maintained by the Office of Academic Affairs and updated each semester on my.okstate.edu. Because some majors require specific courses, it’s very important you discuss all degree areas you’re considering with your academic adviser. This will help you and your adviser choose the most appropriate courses for your interests and potential degrees and careers, reducing the chance you’ll need additional courses should you change majors.

The following lists a few sample lower division classes fulfilling each of the general education requirement areas on OSU degree sheets. Talk to your academic adviser to find courses that best fit your degree choice and work with plans for double majors, minors or additional programs of study. These courses are only a sample. For a complete list of general education (GenEd) classes offered, see your adviser or use the advanced search features of the course catalog at my.okstate.edu.

**REQUIRED GENERAL EDUCATION COURSES:**

- English Composition I and II (ENGL 1113 and 1213).
- American History (HIST 1103, 1483 or 1493).
- American Government (POLS 1113).
(A) ANALYTICAL AND QUANTITATIVE THOUGHT
Courses that ask you to critically analyze and solve problems using quantitative or logical methods receive (A) credit. One of your (A) courses must be a course with the MATH or STAT prefix.

- Mathematics
- Statistics
- Philosophical Logic and Critical Thinking

CS1113  COMPUTER SCIENCE I
MATH1483  MATH FUNCTIONS & USES
MATH1493  APPL OF MODERN MATH
MATH1513  COLLEGE ALGEBRA
MATH1613  TRIGONOMETRY
MATH1715  PRECALCULUS
MATH2103  BUSINESS CALCULUS
MATH2123  CALCULUS FOR TECH I
MATH2133  CALCULUS FOR TECH II
MATH2144  CALCULUS I
MATH2153  CALCULUS II
PHIL1313  LOGIC & CRITICAL THINKING
STAT2013  ELEM STATISTICS
STAT2023  ELEM STAT BUS & ECON
STAT2053  ELEM STAT FOR SOC SCI

ENGL2453  INTRODUCTION TO FILM & TV
ENGL2513  INTRO TO CREATIVE WRIT
GWST2123  INTRO TO GENDER STUDIES
HIST1613  WESTERN CIVIL TO 1500
HIST1623  WESTERN CIV AFTER 1500
HIST1713  SURVEY OF EASTERN CIV (NW)
MUSI2573  INTRO TO MUSIC
PHIL1113  INTRO TO PHILOSOPHY
PHIL1213  PHILOSOPHIES OF LIFE
PHIL2013  PHILOSOPHICAL CLASSICS
REL1103  INTRO TO WORLD RELIGIONS I
REL2013  HEBREW SCRIPTURES
TH2413  INTRO TO THE THEATER

(H) HUMANITIES
Analyze relationships of ideas and values on historical and/or contemporary cultures. Develop understanding as to how ideas, arts or texts shape identities.

- American Studies
- English Literature
- Fine Arts Appreciation (Theater, Music, Art)
- History
- Philosophy
- Religion

AMST2103  INTRO TO AMERICAN STUDIES (D)
ARCH2003  ARCHITECTURE & SOCIETY (I)
ART1503  ART HISTORY I
ART1513  ART HISTORY II
ART1603  INTRODUCTION TO ART
ENGL1923  GREAT WORKS OF LIT
ENGL2413  INTRO TO LITERATURE (D)

(S) SOCIAL AND BEHAVIORAL SCIENCES
Analyze society and explore theoretical structures to understand observations in social and behavioral sciences.

- Economics
- Mass Communications
- Political Science
- Psychology
- Sociology
- Speech

AGEC1113  INTRO TO AG ECON
DIVR2003  INCLUSION LEADERSHIP
DIVR2323  DIVERSITY & INCLUSION IN 21ST CENT AMER
ECON1113  ECON OF SOCIAL ISSUES
ECON2103  INTRO TO MICRO ECON
GEOG1113  INTRO TO CULTURAL GEOG (I)
GEOG1713  WORLD REGIONAL GEOG (I)
HDFS2113  LIFESPAN HUMAN DEV
HLTH2603  TOTAL WELLNESS
MC1143  MEDIA IN A DIVERSE SOCIETY (D)
POLS2013  INTRO TO WORLD POLITICS
PSYC1113  INTRODUCTORY PSYCH
PSYC2583  DEVELOPMENTAL PSYCH
PSYC2743  SOCIAL PSYCHOLOGY
RMRT2443  ISSUES IN DIVERSITY (D)
SOC1113  INTRO SOCIOLOGY
SPCH2713  INTRO TO SPCH COMMUNIC
### (N) Natural Sciences

### (L) Laboratory Science

In Natural Sciences, students analyze the physical world to evaluate problems in biological and physical sciences. They also interpret results and solutions and understand consequences of human intervention in natural processes. Laboratory Science classes ask students to analyze scientific problems, formulate hypotheses, conduct experiments and interpret results. Some Natural Sciences courses carry the (L) designation, in which students receive lab credit.

- Astronomy
- Biology
- Chemistry
- Geography
- Geology
- Nutrition
- Physics
- Soil Science

### International Dimension

Analyze contemporary cultures outside the United States to understand complex, modern world systems. It’s possible to choose courses that meet both the international dimension and another general education requirement at the same time.

- ARCH2003  Architecture & Society (H)
- ENGL2243  Lang Text & Culture
- GEOG1113  Intro to Cultural Geog (S)
- GEOG1713  World Regional Geog (S)
- REL1103  Intro to World Religions (H)

### (D) Diversity

Courses that emphasize the study and analysis of socially constructed groups in the United States. It’s possible to choose courses that meet both the diversity and another general education requirement at the same time.

- AGLE2403  Multicultural Ldrship
- AMIS2013  Intro to American Indian Studies
- AMST2103  Intro to American Studies (H)
- DIVR2003  Inclusion Leadership
- DIVR2213  Mino in Sci and Tech Past Pres & Fut (S)
- DIVR2323  Diversity & Inclusion in 21st Cent Amer
- ENGL2413  Intro to Literature (H)
- ENGL2773  Survey of American Lit I
- ENGL2883  Survey of American Lit II
- GWST2123  Intro to Gender Studies (H)
- MC1143  Media in a Diverse Society (S)
- RMRT2443  Issues in Diversity (S)

### (NW) Non-Western

Non-Western courses study the social, historical or theoretical structures of non-Western culture. It’s possible to choose courses that meet both non-Western dimensions and another general education requirement at the same time. Most of the non-Western courses are offered at the junior or senior level, but the following lower-level courses are offered:

- AMIS2013  Intro to American Indian Studies
- ENGL2963  Survey Nonwestern Traditions
- FLL1000  Sp Stud Foreign Lang
- HIST1713  Survey of Eastern Civ
- JAPN1225  Elementary Japanese II
- RUSS1225  Elementary Russian II

</table>

**Upper-Division Credit:** Total hours must include at least 40 hours in courses numbered 3000 or above.

**Hours in One Department:** Hours in one department in excess of 54 will be added to the minimum total of 120 required for graduation.

**MAYOR REQUIREMENTS: 51 HOURS**

Minimum GPA 2.00 with a minimum grade of "C" in all PSYC courses. No more than 8 hours of PSYC may be 2000 level.

**Core Requirements: 9 hours**

- PSYC 1111
- PSYC 3214
- PSYC 3914

**30 hours** to include at least one course from each of the 4 competency area below.

1) Learning, Cognition, Biological Basis: 3033, 3073, 3113, 3173, 3513, 3713, 3823, 4023, 4223, 4263, 4343, 4663
2) Psychometrics, Personality, Social Processes: 2743, 3013, 3053, 3413, 4153, 4333, 4813
3) Developmental and Sociocultural Dimensions: 2313, 2583, 2593, 3343, 4123, 4133, 4163, 4243
4) Clinical, Applied Psychology: 2443, 3443, 4143, 4183, 4213, 4283, 4293, 4483, 4573

**Other Elective Courses:**
- 3120 (1-12 hours), 3990 (1-6 hours), 4353, 4493, 4770 (1-6 hours), 4880 (1-6 hours), 4883, 4990 (1-6 hours)

**12 upper-division hours from:**

- ANSI, BIOC, BIOL, BOT, CHEM, CS, ECON, EDLE, EPSY, HDFS, MATH, MICR, NREM, NSCI, PHYS, PLP, POLS, SOC, SPCH, STAT, and/or upper-division General Education (A), (N) OR (S) excluding PSYC.

**With approval from the advisor and department head, a maximum of 30 hours from an accredited doctoral law or health program may be used for this degree, including these 12 hours and 15 hours of electives. Up to 3 hours may be substituted from the required PSYC courses other than 1113, 3214 and 3914.**

**ELECTIVES: 16 HOURS**

May need to include 6 hours of a foreign language. (see note 3.)

May need to include 6 hours upper-division general education outside major department (see note 2.c.)

**Other Requirements:** See notes 1, 2 & 3 on back of degree sheet

**Additional State/OSU Requirements:**
- At least 60 hours at a four-year institution; 30 hours completed at OSU; 15 of the final 30 or 50% of the upper-division hours in the major field completed at OSU.
- Limit of one-half of major course requirements as transfer work; one-fourth of hours earned by correspondence; 8 transfer correspondence hours.

Students will be held responsible for degree requirements in effect at the time of matriculation and any changes that are made, so long as these changes do not result in semester credit hours being added or do not delay graduation. Degrees that follow this plan must be completed by the end of Summer 2023.

It is important to note that the online classroom is something you will be able to access after you are enrolled in courses. Faculty may not populate the individual course pages until the week before classes each semester. 

NOTE: Not all professors use the online classroom, but the majority do.

**GETTING STARTED:**

**SIGNING IN:** Go to my.okstate.edu. Sign in using your O-Key credentials. Select the “Online Classroom” icon to open the application.

**MY HOME:** My Home is where you will access your courses either in the “My Courses” list or via “Select a course” in the topmost tool bar. Other topics and tools include Academic Integrity, Calendar and eBooks.

**MY COURSES:** You will find your courses organized by semester folders in the “My Courses” area. Open the folder by clicking the down arrow on the right side of the semester title. Click the course link to open the course home page. You may see a folder called “Communities” if you are a member of a community that uses BrightSpace by D2L tools.

**INSIDE THE COURSE:** The course home page presents you a course calendar, links to the various course components and “News.” Your instructor may use the news feature to bring your attention to class announcements.

**CONTENT:** The “Content” tab at the top is where you access the course materials, such as the syllabus, lecture PowerPoint slides, additional articles to read and/or other features.

**DISCUSSIONS:** Your instructor may set up discussion questions for you and the class. Discussing a topic helps students to integrate the materials they are learning.

**DROPBOX:** Use “Dropbox” to turn in your assignments. When you click the Dropbox tab, you will see the assignment folders set up by your instructor. Submit an assignment by opening the correct folder and selecting the “Add a File” button. Then attach the assignment file from where you have it stored. Click Add. Comment if desired. Click Submit.

**QUIZZES:** Click the “Quizzes” tab to enter the quiz area. The cover page will show you the time allowed for taking the quiz and how many attempts are available. Allow sufficient time before the deadline to complete your work in case of computer or software failure.

**TESTING:** Another tool, "Respondus," may be used with testing. Respondus is a browser that reduces incidents of cheating by locking access to anything else on the computer or internet. If the quiz or test is set up in Respondus, you will see instruction in red type to let you know what to do.

**GRADES:** The “Grades” tab opens the area showing a breakdown of all graded items in the course organized into categories by your instructor. The grade summary may show how much each grade item contributes to the final grade. You may be able to see how you scored in comparison to the class. Your grades will not be visible to anyone else but you and the instructor.
COURSE PLACEMENT

ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACCALAUREATE (IB) CREDIT

The Office of Undergraduate Admissions website, admissions.okstate.edu, includes the requirements to receive academic credit for tests taken through high school advanced placement coursework in the "Information for Freshmen" section. Since many AP scores are not finalized until the summer, students enrolling for coursework before they have their scores should spend time with their academic adviser developing enrollment choices if academic credit isn’t awarded. It’s your responsibility to keep your adviser updated about necessary changes in your course enrollment after scores are received.

CONCURRENT COLLEGE CREDIT (CREDIT FROM ANOTHER UNIVERSITY)

Students should provide transcripts prior to their enrollment at Oklahoma State University. If this is not possible, students should bring an unofficial transcript to their enrollment session. In order to enroll in the proper courses, other credit must be evaluated.

CREDIT BY EXAM (CLEP)

For students with advanced subject knowledge, the CLEP exam can help save money and time. CLEP is designed to test your knowledge of college-level subjects, and passing scores earn credit for equivalent OSU courses. OSU does not charge tuition or fees for credit earned through examination. The only expense is the actual cost of the exam and testing center fee, which is approximately $120. To schedule an exam, contact University Assessment and Testing at 405-744-5958. For more information, visit uat.okstate.edu.

Additional score reports may be requested as follows:

CLEP Transcripts Request Service
P.O. Box 6600 Princeton, NJ 08541-6600

FOREIGN LANGUAGE PLACEMENT EXAMS

Department of Foreign Languages and Literatures
206 Gundersen
405-744-5658

Students who have completed two or more years (or equivalent) of credit in high school Spanish, French or German may consider taking a placement exam prior to enrollment to determine the best course placement. Only those who plan to enroll in a foreign language course the next semester should take the placement exam. Placement test scores determine the appropriate level of course work for enrollment. Placement results remain valid for two semesters (not including a summer semester) following the test date.

The test must be taken by the last date on which the course can be added during the semester in order for retroactive credit to apply. Students who complete the course into which they are placed with a grade of “A” or “B” are eligible to receive up to 6 credit hours for the coursework above which they were placed. After all grades have been posted for the semester, the foreign language adviser will verify the score and date of the placement exam and the grade earned in the placement course. If placed in 2723 (Spanish), 2723 (French) or 2723 (German), earning an “A” or “B,” the student will earn 6 hours of retroactive advanced standing credit (1713 and 1813).

Advanced standing credit in Latin, Greek, Japanese or Russian may also be considered. Students of these languages should see the Foreign Language Adviser for testing procedures.
How to ENROLL

BROWSE FOR CLASSES
Login to myOKSTATE using your O-Key email address and password:

1. Select > Self Service > Student Tab > Registration > Plan Ahead or Register for Classes (to actually register for the courses as you choose them).
2. Select your term from the dropdown menu.
3. Enter the subject and course number (if known), press the search button.
4. To search by day of week, time of day, or for specific general education categories, use the “advanced” search options.
REGISTER FOR CLASSES

Login to myOKSTATE using your O-Key email address and password:

1. Select > Self Service > Student Tab > Registration > Plan Ahead (to plan a schedule) or Register for Classes (to actually register for the courses as you choose them).

2. Select your term from the dropdown menu.

3. Enter the subject and course number (if known), press the search button.

4. To search by day of week, time of day, or for specific general education categories, use the “advanced” search options.
5. Locate the class you would like to enroll in and press “Add.”

6. The class will be added to your summary below in Pending status - you are NOT registered yet!

7. When you are ready to register, click “Submit.” If registration is successful, a green “Save Successful” message will display in the upper right corner and the status will change to “Registered” in the Summary. Click “Search Again” to continue searching for other courses.

8. If you know the CRN for the class you would like to enroll in, click the “Enter CRNs” tab and enter your CRN directly. After adding to summary, you still need to press “Submit” to enroll in the class.

Total Hours | Registered: 14 | Billing: 14 | CEU: 0
Before dropping any course at OSU, you should always consult your adviser. In addition, make sure you are aware of drop and withdraw deadlines found on the academic calendar at registrar.okstate.edu. If you are taking courses that do not meet the entire semester, the drop and withdraw dates will be different.
Grades

In any academic setting, performance in coursework must be evaluated before you can move on to the next level. The quality of your academic performance will be indicated by some of the following letter grades. For a complete list of all grading options, consult the Office of the Registrar.

- “A” Excellent
- “B” Good
- “C” Average
- “D” Below average
- “F” Failure
- “FI” (F shriek) indicates the student failed due to a violation of academic integrity (see the Academic Integrity Policy). Students may remove the first “I” (though not the “F”) from their transcripts by completing an academic integrity educational program (see the Academic Integrity section on page 29).
- “I” is given when a student satisfactorily completes the majority of the coursework with an average of “D” or better but has been unavoidably prevented from completing the remaining work in the course.
- “P” is earned for passing work in OSU courses approved for pass/no-pass and pass/fail grading systems. Both credit hours and grade points are ignored in calculating grade-point averages.
- “NP” is earned for unsatisfactory work (including evaluations of “D”) in courses on the pass/no-pass and pass/fail grading systems.
- “S” or “U” is given for satisfactory (equivalent to a “C” or better) or unsatisfactory work in remedial courses in English, mathematics, reading and science.
- “W” indicates a course a student has withdrawn from after the drop/add deadline.

Retention Standards

Continuing at OSU requires maintaining academic performance levels. Students who don’t maintain satisfactory progress toward their academic objectives as indicated below will be placed on probation for the following semester. During academic probation, students must raise their overall GPA to the appropriate level to remove the probation status or receive at least a 2.0 semester GPA to continue the following semester.

<table>
<thead>
<tr>
<th>Grad/retention hours attempted</th>
<th>GPA required</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-30</td>
<td>1.7</td>
</tr>
<tr>
<td>31 or more</td>
<td>2.0</td>
</tr>
</tbody>
</table>

Students with 30 credit hours and a GPA between 1.7 and 2.0, considered “Academic Notice,” should speak with their academic adviser for help.
OFFICE OF THE REGISTRAR

The registrar creates and updates student academic records. You might visit the office to:

- Enroll in courses or add special classes.
- Withdraw from a class or from all classes if necessary.
- Get your official enrollment verification.
- Request transcripts.
- Reference university academic regulations.
- Update academic records.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The federal Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) protects the privacy of student educational records. The law applies to all schools that receive U.S. Department of Education funding. FERPA gives parents certain rights with respect to their student’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.

The quickest, easiest way for parents to receive information about their student’s grades, financial statements or other student information is for the student to provide it. Students can look up information online and provide a copy to their parents. Students may also set up a guest login to the Office of the Bursar’s website for parents to access billing information at bursar.okstate.edu.

If a parent is unable to obtain academic information directly from the student or has a reason to doubt the information received, direct access to educational records may be obtained if the student completes a parental access form available in the Office of the Registrar. This form must be completed by the student in an environment that is not coercive. Parents of a dependent student may gain access to education records by producing the most current copy of Internal Revenue Form 1040 to the Office of the Registrar. If parental access has been granted, educational records may be viewed in person once an appointment has been arranged through the Office of the Registrar. We welcome the opportunity to discuss this with you if you have any questions.

Extensive information regarding FERPA rules at OSU is located under the Family Educational Rights and Privacy Act link at registrar.okstate.edu.

At the elementary and secondary school level, FERPA gives parents the right to access education records. When a student turns 18 or attends an institution of postsecondary education, FERPA rights transfer from parent to the student. At the postsecondary level, parents have no expected rights to view their child’s education records.
OSU students are expected to follow the policies and guidelines written in the Student Code of Conduct. OSU takes these codes and policies seriously. Students are required to understand the code and the Academic Integrity Policy. To learn more, visit studentconduct.okstate.edu and academicintegrity.okstate.edu.

The following are excerpts from the Academic Integrity Policy: All members of the Oklahoma State University community are entrusted with academic integrity, which encompasses the fundamental values of honesty, trust, respect, fairness and responsibility. Students are expected to:

- Understand and uphold the academic integrity guidelines established by the university and their instructors.
- Present their own work for evaluation by their instructors.
- Appropriately cite the words and ideas of others.
- Protect their work from misuse.
- Accept responsibility for their actions.
- Treat instructors and members of the Academic Integrity Panel with respect when violations of academic integrity are examined or appealed and trust that instructors and the Academic Integrity Panel will enforce policy and procedures.

Students are urged to sign the OSU Commitment to Academic Integrity statement and inform other students or notify instructors when they observe violations of academic integrity.

INSTRUCTORS ARE EXPECTED TO:

- Understand and uphold academic integrity policy and procedures and have the authority to set reasonable standards in their classes within the guidelines provided.
- Clearly discuss and communicate information about academic integrity to students.
- Reduce opportunities for dishonesty through vigilant exam security and proctoring, and give clear instructions for homework and projects.
- Fairly and consistently evaluate students and award credit based on professionally judged academic performance established by the instructor.
- Trust students to follow the academic integrity policy until the instructor has sufficient information to substantiate a violation, then confront students with information about the alleged violation, follow the procedures and report violations.
- Be fair in evaluating information that may indicate a student has violated academic integrity.
- Assure that teaching assistants or adjunct instructors who work under their direction understand and uphold academic integrity policy and procedures.
- Treat students and members of the Academic Integrity Panel with respect when violations of academic integrity are examined or appealed.
- Trust members of the Academic Integrity Panel to enforce policy and procedures when violations are appealed.

Behaviors that violate the fundamental values of academic integrity may include but are not limited to:

- Unauthorized collaboration.
- Plagiarism.
- Multiple submissions.
- Cheating on exams.
- Fabricating information.
- Helping another person cheat.
- Unauthorized advance access to exams.

CONSEQUENCES:

These behaviors may subject the student to disciplinary action including receiving a failing grade on an assignment, exam or course, receiving notation of a violation of academic integrity on their transcript and suspension from the university. Serious violations discovered after a student graduates may lead to revocation of a degree. These behaviors are described in detail in the Academic Integrity Guidelines. The following sanctions are applied based on the seriousness of the violation:

a. Level one sanction — grade of “zero” or “F” for the assignment or examination with violations.

b. Level two sanction — grade of “F!” for the course. The transcript will indicate that a grade of “F!” signifies the student failed the course because of an alleged violation of academic integrity.

c. Level three sanction — recommend suspension from the university.
Types of ACADEMIC ADVISERS

There are three basic types of academic advisers at OSU. Your advising experience will vary across academic colleges and a combination of these may be used throughout your experience.

Professional Advisers are generally centrally-located in an academic college’s student success center. These individuals have a wide range of knowledge regarding majors within their specific academic college.

Major/Departmental Advisers are generally located within the specific department office and advise students within specific majors within that department.

Faculty Advisers are generally located throughout the college. These advisers are faculty members who are knowledgeable about the curriculum, mentor students within their field of study and hold specific office hours for advising.

BEFORE YOUR APPOINTMENT

- Find your enrollment date, based on credit hours earned, at registrar.okstate.edu.
- Make an advising appointment early in the semester. To make your appointment, visit star.okstate.edu.
- Review your degree requirements sheet, located at registrar.okstate.edu.
- Utilize major and career exploration tools at HireOSUgrads.com if needed.
- Log on to Banner at my.okstate.edu and look at available course sections. In addition, review your registration holds under the “Student Records” section. Registration holds must be cleared before you will be able to enroll.
- Think FINISH IN FOUR. Plan on taking 15 hours per semester and/or averaging 30 hours per year.
- Create or review your four-year academic plan.

DURING YOUR APPOINTMENT

- Review major and minor options with your adviser.
- Talk about your four-year academic plan.
- Discuss ways to enhance your experience at OSU. Find out about Study Abroad programs that would work well with your major, scholarships that you can apply for and getting more out of your degree by graduating with honors or distinction.
- Ask about any course overrides or special permissions. Your adviser should be able to direct you on how to obtain these.

AFTER YOUR APPOINTMENT

- Deliver any necessary paperwork to the Office of the Registrar, 324 Student Union.
- Keep all the documents from your advising appointment.
- Plan out possible schedules based on your conversation with your adviser about courses.
- Enroll in courses on Banner. Once you have processed your enrollment, print your detailed schedule.
- If you need to change your schedule, consult with your academic adviser first. In addition, please refer to the academic calendar for important drop/add/withdraw deadlines. The academic calendar can be found at registrar.okstate.edu.
CASNR offers 16 majors and more than 50 study options with diverse opportunities to study and apply knowledge in science, mathematics, chemistry, biology, computer science, accounting, finance, the environment, marketing, education, communication and, of course, agriculture and natural resources.

CAS includes 24 departments and schools offering more than 90 diverse majors in fine arts, humanities, social, mathematical, physical and life sciences, as well as media and strategic communications. CAS degrees work well with a minor or second major within four years to develop unique combinations of skills valuable for many career paths.

EHA, a community of scholars, prepares and develops professionals who facilitate lifelong learning and enrich quality of life for individuals in diverse settings. The college leads in the generation of knowledge in our professional areas and advances professional development through teaching, research and outreach.

CEAT includes 12 departments and more than 20 undergraduate degrees. Students gain the knowledge and tools to solve problems with creativity, leadership and cutting-edge technical knowledge. Many of the college’s programs have been recognized as among the best in the nation.

COHS offers 11 academic programs, leading to careers in management of hospitality and tourism businesses, event planning, fashion design and merchandising, interior design, family and consumer sciences teaching, early childhood education, child and family services, pre-medical sciences, allied health, dietetics, community nutrition, and nutritional sciences.

The Spears School of Business at Oklahoma State University prepares our students for the world because our students have lived and learned in an environment where personal connections are paramount, and academic excellence is strengthened by interpersonal prowess. We take soft skills seriously. We study business collaboratively. We use technology to include and never to exclude. Community isn’t just a byproduct of what we do. At Spears, we empower students to follow their own dreams, not the dream we have for them. Because the purpose of business isn’t just individual gain, but a gain for every individual.

Students whose potential major interests span more than one academic college, students who are admitted through special admissions programs and students who are undecided are advised in University College Advising. Once students select a major and meet any college or departmental requirements, they will transition to the appropriate academic college to complete their degrees.

Students accepted to The Honors College will work with two advisers, one in their chosen degree area and one in The Honors College. Honors students meet with academic program advisers first for degree assistance and then proceed to an honors adviser to incorporate honors courses.
Students may be “pre-law” or “pre-health” from any major field of study. Students should choose the degree most closely related to their area of interest or to an alternate career option. Students should consider their potential career goals and determine which areas will be the best overall fit. Academic advisers and college career consultants can help students learn about multiple degrees with courses and experiences to meet medical, dental, veterinary and law school goals.

ACADEMIC SERVICES FOR STUDENT-ATHLETES
150 Athletic Center
405-744-5762 | aec.okstate.edu

Student-athletes have responsibilities beyond the classroom and find specialized support for academic and career services through Academic Services for Student-Athletes. After meeting with their academic adviser, student-athletes make a second visit to their athletic counselor to ensure academic eligibility. In addition, the office provides course-specific tutoring and assistance through the Academic Enhancement Center.

ACADEMIC ASSISTANCE AND TUTORING

As you begin taking college-level courses, you may realize that some are more difficult for you than others. It's critical that you engage in your coursework to succeed. OSU offers free tutoring to all students. Academically successful students use tutoring and other academic resources as they look for help early.

The main tutoring services offered on campus are located in LASSO. Academic colleges and departments may also offer tutoring through Living Learning Programs or within college spaces. We suggest you begin with LASSO.

LASSO TUTORING CENTER
021 Classroom Building
405-744-3309 | lasso.okstate.edu

The LASSO Center’s Paul Milburn Tutoring Program offers free one-on-one tutoring for many of OSU’s courses to any student on campus. Qualified tutors meet GPA and course content criteria and are approved by the LASSO Center staff. For more information about tutoring on campus, check out the LASSO Resource Guide under the resource table at lasso.okstate.edu.

In addition to tutoring services, LASSO offers Academic Success Coaching and Supplemental Instruction. Academic Success Coaching is designed for students who would like to improve or further develop their academic success skills like time management, goal setting, prioritizing and other personal improvement areas. Supplemental Instruction is offered in specific courses each semester. For more information, consult your faculty members or the LASSO homepage.

MATH LEARNING SUCCESS CENTER
Edmon Low Library 5th Floor
405-744-5818 | math.okstate.edu/mlsc

The Math Learning Success Center is open to students on a drop-in basis and offers individual tutoring, recorded math lectures and computer-assisted software.

OSU WRITING CENTER
440 Student Union
405-744-6671 | osuwritingcenter.okstate.edu
writingcenter@okstate.edu

The OSU Writing Center services include one-on-one 50-minute tutorials, a writer’s hotline for brief answers to writing-related questions, writing handbooks and computer systems. In addition, the OSU Writing Center houses materials and handbooks made available to all students. Additional locations with limited hours include the Edmon Low Library Outpost (Edmon Low 102) and Writing Center West (Ag Hall 103).
FINANCING your FUTURE
OFFICE OF SCHOLARSHIPS & FINANCIAL AID
119 Student Union
405-744-6604 (Phone) | 405-744-6438 (Fax)
financialaid.okstate.edu | finaid@okstate.edu
File the FAFSA: fafsa.gov
OSU School Code: 003170

Checking your Financial Aid Online:
• Login to my.okstate.edu.
  (OSU email and O-Key password)
• Click on the Self-Service icon.
• Click on Financial Aid tab.

FINANCIAL AID STATUS: You will see a summary of your current status, with links to additional information. This is a good place to check each time you log in to the system, as it gives you a quick overview of your status.

ELIGIBILITY: The Student Requirements tab on this page will display the status of all requirements with links to complete any that are unsatisfied.

AWARD: You can see all awards you’ve been offered and whether they have been accepted displayed in an annual total and broken out by semester. Some grant awards are already accepted for you at the time they are awarded, but you’ll need to accept the terms and conditions and then accept or decline most other awards. You can find specific instructions for accepting/declining awards at financialaid.okstate.edu/2018-2019-information-sheets.

RESOURCES/ADDITIONAL INFORMATION: If you know of an award from a non-OSU source (scholarship agency, tribal scholarship, etc.), add the information to the Resources/Additional Information tab of the Award section. If you’ve been notified of an award from an OSU office and it isn’t showing on your Award page, contact the awarding office.

Answer the Authorization to Use Title IV Aid questions on this same tab. Read the FAQs at financialaid.okstate.edu/title-iv-authorization-faqs.

COMMUNICATING WITH THE OFFICE OF SCHOLARSHIPS AND FINANCIAL AID
To protect your privacy, official emails are sent to your OSU email address once you activate your OSU O-Key account. You can use the myOKSTATE portal to upload documents needed for financial aid and scholarships.

FINANCIAL PLANNING COUNSELORS
In addition to the Office of Scholarships and Financial Aid, financial planning counselors with the Office of First Year Success meet with freshman students to provide financial literacy education and resources for financial success. See page 49 for more information about financial planning counselors.
OFFICE OF THE BURSAR

113 Student Union
405-744-5993 (Phone) | 405-744-8098 (Fax)
bursar.okstate.edu | bursar@okstate.edu

The Office of the Bursar bills and collects tuition, fees, campus housing and other university-related charges. All federal and campus-based financial aid funds are disbursed to students’ bursar accounts and refunds are issued for any overpayments. A new student’s first fall bill is set on Sept. 1 and the spring bill is set on Feb. 1. Then, the Office of the Bursar bills monthly for charges and payments that occurred during the month on a semester timeframe. An electronic bill is sent to the student’s university email address when the billing statement is available to view online. Payment is due at the time charges are billed and considered past due after the 15th of the month. A 1.5 percent finance charge will be assessed to an account for any unpaid balance. It’s the student’s responsibility to verify that university-administered scholarships and waivers, as well as external scholarships, have been credited to their bursar account. Students can view their billing statement and semester account activity, set up authorized users and pay online via my.okstate.edu by clicking on OSU Stillwater/Tulsa Bursar Account under Quick Links. Authorized user login is located through the bursar website at bursar.okstate.edu. When students enroll at Oklahoma State University, they agree to pay all charges on their account when due. They also acknowledge that failure to make the required payment by the due date will result in the possibility of added finance charges, loss of on-campus charging privileges, inability to enroll in future semesters, and/or withholding academic transcript or diploma. See the Financial Responsibility Contract and view the full list of student financial responsibilities at bursar.okstate.edu/financial-responsibility.

The following are also available on the Bursar website:

Parent and Student Guide

A parent and student guide link is available on the bursar’s home page to better understand policy and processes. Topics include:

- How to obtain information about your student account.
- Email notifications, billing statements and finance charges.
- Tuition and required fees.
- OSU Payment Plan.
- Special billing to third parties.
- Refund deadlines of tuition/fees when dropping classes.
- How to update your address information.
- Steps to take before leaving OSU.
- Bursar Optional Charging Policy.
- Student Financial Responsibility Contract.
- Budgeting for college expenses.
- Budget worksheet.

View the guide online at okla.st/BursarParentGuide.

Direct Deposits/Refunds

All financial aid is applied toward the student’s bursar account balance and a refund (if any) is calculated after taking into account semester charges on the account at the time of the refund program calculation. Bursar account credits resulting from a credit card payment are refunded back to the credit card, not the student. Direct deposit refunds are scheduled every working day and should be deposited into your bank account within two to three business days depending on the bank. Login to my.okstate.edu, then:

- Click OSU Stillwater/Tulsa Bursar Account under Quick Links.
- Click on My Payment Profile.
- Enter in Banking Information and click box under Refund Options.
- Click Save.

Learn more at okla.st/BursarRefunds.
Payment Plan
Setup a semester-based monthly payment plan. No finance charges or enrollment holds are associated with the payment plan if payments are made as promised. The deadline to enroll in the fall plan is Sept. 15, while Feb. 15 is the deadline for the spring plan. Summer enrollment is ineligible for the plan.
Learn more at okla.st/BursarPaymentPlan.

Title IV
Authorize federal aid to cover all student expenses. Title IV financial aid is federally funded aid such as Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan, Federal Subsidized and Unsubsidized Direct Loans, and Federal Parent Direct Loan. The U.S. Department of Education requires OSU to obtain authorization to pay all charges on your bursar account for the current semester. Learn how to provide authorization at okla.st/BursarTitleIVAid.

Additional Bursar Information
Financial counseling is available to answer questions concerning account balances.
Monday through Friday
8:30 – 11:30 a.m. and 1:30 – 4:30 p.m.

The bursar’s office assists with questions concerning third-party billing to a student’s sponsor (for example, the Bureau of Indian Affairs or a parent’s place of employment, etc.) and non-OSU scholarship checks from outside agencies or schools (such as the Lions Club, Rotary Club, etc.). Scholarships are posted in the semester received. Please complete the form at bursar.okstate.edu, under forms (on the left side), to authorize us to bill a third-party sponsor.

PRIVACY REGULATIONS – FAMILY EDUCATIONAL RIGHTS TO PRIVACY ACT (FERPA)
Federal law limits the information the university may provide regarding OSU students. The bursar account is in the student’s name, and information regarding an account may only be issued directly to the student. However, students can give their parents access via my.okstate.edu. For more information, visit registrar.okstate.edu/ferpa.

TUITION & FEES
The Oklahoma A&M Board of Regents determines official tuition and fee rates during the summer prior to the beginning of the fall semester. Your actual costs will vary according to your class schedule. Federal regulations require the Office of Scholarships and Financial Aid to include tuition/fees, room/board (average of on-campus and off-campus costs), books/supplies, transportation and other miscellaneous costs into the cost of education when determining eligibility for financial aid. You may spend more or less than these average estimates.
BENEFITS OF BLOCK TUITION

The “block” rate, equal to OSU’s 15-hour rate, serves as one of OSU’s strategies to help students stay on target and finish college in four years. Enrolling in an average of 15 hours per semester puts students in line to graduate in four years.

BLOCK TUITION DETAILS

• Part-time undergraduate students (those taking fewer than 12 hours), graduate students, and professional students are charged on a per-credit-hour basis.

• Full-time undergraduate students (those registering in 12 to 18 hours) are charged a block rate for tuition and universitywide fees. Universitywide fees in the block rate include: student activity fees, student facility fees, library automation and technology fee, health services fee, student development fee, Daily O’Colly fee, academic records fee, academic excellence fee, transit/parking services fee, advising/assessment fee, university technology infrastructure maintenance fee, academic facilities, life safety and security fee and Student Union renovation fee. Academic service fees, such as specific course fees and/or college based fees, are not included in the block rate and will continue to be charged on a per-credit-hour basis.

• August intersession courses are part of the fall semester and winter intersession courses are part of the spring semester.

• Courses counted toward the block rate include OSU-Stillwater courses, OSU-Tulsa courses, outreach courses (e.g. online courses), NOC-Stillwater courses and graduate-level courses taken by undergraduate students (excluding online NOC courses).

EXCEPTIONS

Full-time undergraduate students who have selected tuition lock will be charged on a per-credit-hour basis. Students who feel they are unable to enroll in 15 credit hours may apply for an exception. The appeal form must be completed by the student and returned to the appropriate office for review. Exceptions may include students with disabilities or health issues, seniors who need fewer than 15 hours in a semester to graduate or fewer than 30 hours in a fall and spring to graduate, students studying abroad and students participating in officially sponsored activities to which 25 or more hours per week are committed. The appeal form will be available prior to the start of each semester.

For the full and most up-to-date information, including the exceptions and appeals process, visit blockrate.okstate.edu.
MANAGING YOUR MONEY

BUDGETING BASICS
Planning your college and personal finances can be one of the most important challenges you’ll face. It’s important that you understand how to handle your money, whether it’s your financial aid, scholarships, money from your family, your paycheck, or even loans and credit cards. The investment you make in your early college years concerning money management and basic financial planning strategies can make a huge difference in your financial future! Don’t underestimate how important personal finance is to your health. Planning your personal finances is critically important to your success in college and can greatly reduce your stress. One of the best ways to manage your money is to develop a budget and learn to stick to it. Setting up a budget is not too difficult, but sticking to it can be challenging at first. It just takes some planning and determination on your part.

To set up a budget, first determine what money you have coming in, essentially your income. Second, figure out your expenses, and third, determine your plan of action to save and pay your expenses. It’s important that you keep track of your savings, income and expenses. If you find your expenses are greater than your income, it may mean making some sacrifices, finding additional income or seeking out other resources.

FINDING A STUDENT JOB
Working while in college is a great way to build experience and earn money. There are many on- and off-campus job opportunities that are both financially and personally rewarding. Specifically, on-campus jobs provide an excellent way to make campus connections, work around your class schedule and develop skills to add to your résumé.

To apply for student jobs on and off campus, including work-study, visit HireOSUgrads.com or Career Services in 360 Student Union. For additional assistance, contact Career Services via phone at 405-744-5253 or email careers@okstate.edu.

HELPFUL HINTS FOR SAVING MONEY
• Buy used textbooks, if possible, for the best prices. Be sure you know the store’s buy-back policy on textbooks.
• Make the maximum use of your meal plan and save eating out for special occasions.
• Take advantage of the free entertainment opportunities on campus. OSU offers a variety of free activities, including incredible speakers, concerts, movies, workshops, dances and a host of other events for learning, entertainment and involvement outside of the classroom.
• Use student discounts, online coupons and student coupon books.
• Avoid parking tickets on campus by parking in your designated parking area.
• Save on gas by riding your bike, renting a bike from OrangeRide, or utilizing The Bus, OSU’s bus system, to travel around campus and around Stillwater.
• Keep track of charges you make to your OSU bursar account. Treat your student ID card like a bank card. Review your account status online at least once per week.
• Control how much you spend on optional items, such as magazines, newspapers, movies, music, video games, vacations, etc.
• Study! Creating success in college requires hard work. The majority of that work takes place outside of the classroom. Spending time studying individually and in groups can keep you from spending money on unnecessary expenses and helps with timely graduation.
• Take advantage of the free resources offered at OSU, including tutoring, the Colvin Recreation Center, on-campus computer labs and printing stations, and discounted medical and mental health services.

Helpful tools and resources can be found in the financial literacy section of the Scholarships & Financial Aid website, financialaid.okstate.edu/fin-lit.

For individualized assistance planning a budget and learning about other ways to maximize your dollar, new students are encouraged to meet with a First Year Success financial planning counselor. For more information, visit fys.okstate.edu.

EXPLORING
ACADEMIC
RESOURCES
Integrating honors coursework into your degree program allows for more academic opportunities at OSU. Students often choose to enhance their degree with honors coursework due to:

**Small Class Size**
Classes are typically 20-22 students, and individually tailored honors courses are often available.

**A Wide Range of Honors Courses**
The Honors College usually offers 60 to 70 honors courses each fall and spring semester.

**Top Teaching Faculty**
Honors professors are experienced members of the OSU teaching faculty known for excellence in the classroom and in their academic fields.

**Transcript and Diploma Distinctions**
Honors course credit is indicated on transcripts. Special transcript entries are recorded for the General Honors Award, Departmental or College Honors Award, the Honors College Degree, and the Honors College Degree with International Study Emphasis. Students earning the Honors College Degree, with or without International Study Emphasis, receive a special diploma recognizing these distinctions.

**Honors Advising**
Honors advisers provide additional attention to your academic needs and interests. All of the advisers have earned honors degrees and have personal experience as honors students.

**Honors Events**
Enjoy events including picnics, lectures, special presentations and field trips. Special events are also scheduled for students living in honors housing.

**Benefits**
Active Honors College students have access to The Honors College study lounge and computer lab in historic Old Central, receive priority enrollment, enjoy extended library checkout privileges and have the option to live in honors housing if space is available.

New freshmen are considered for admission into The Honors College on the basis of high school GPA (usually 3.75 or higher), standardized test scores (usually an ACT composite score of 27 or higher or an SAT core [critical reading and math only] of 1280 or higher), and an optional essay. Weighted certified high school GPAs may be used. Entering freshmen who fall just short of these requirements may submit a written petition for consideration.

New freshmen must earn at least a 3.2 GPA in their first semester to maintain Honors College eligibility for the next semester. Continuing students are eligible based on the following OSU and cumulative GPAs:

- Fewer than 60 credit hours: 3.3 OSU and cumulative GPAs.
- 60-93 credit hours: 3.4 OSU and cumulative GPAs.
- 94 or more credit hours: 3.5 OSU and cumulative GPAs.
The Office of Scholar Development & Undergraduate Research refines top students’ academic skills through research opportunities, individual mentoring and special courses. There are many resources available to help with prestigious national scholarship competitions (including Rhodes, Marshall, Truman, Goldwater and Udall). The office monitors student progress, provides important information, gives support and plans courses and activities that can lead to success. Interested students can contact the office to ask about opportunities and strategies related to high-level undergraduate research, national scholarships, Cambridge Scholars and honor societies of Phi Beta Kappa, Phi Kappa Phi and Phi Eta Sigma.

In addition, you can further research study and employment goals while enjoying unique experiences through Scholar Development and related programs. The following are examples of programs and opportunities for students involved in Scholar Development:

**Wentz Projects and Scholarships**
This is an opportunity for outstanding undergraduates to plan and perform high-level research under the direction of a faculty member ($4,500 each). There are also traditional awards based on academic excellence and well-rounded campus activities ($2,750 each).

**Freshman Research**
This unique program provides an opportunity for bright, ambitious incoming OSU freshmen to elevate their chances early, including a one-semester orientation to research and a one-semester research experience with a faculty mentor. A stipend is included for those chosen.

**Scholar Development**
Scholar Development has its own program for study in the United Kingdom every July, where top students travel with OSU’s best faculty for interesting courses on a variety of topics. Scholarships cover nearly half or more of the total costs.

**The OSU Journal of Undergraduate Research**
This is an opportunity for students to share their academic accomplishments. The journal consists of a faculty editorial board for selective print and digital publication, which reviews students’ articles.
The OSU libraries are here to help you achieve academic success. Friendly librarians can save you time and help you find the best resources for your classes. The library offers tours and orientation for new students and has a variety of resources and services for you.

**Technology**
- More than 180 desktop computers in the largest computer cluster on campus.
- Laptops, tablets, iPads and MacBooks are available to check out for five hours at a time.
- Unlimited printing, express print stations and the ability to print from your own laptop.
- Wireless Internet throughout the building.

**Study Space**
- Group, whisper and silent study zones to fit your study style.
- Sixteen group study rooms with electronic white board available for four-hour reservations.

**Resources**
- Hundreds of databases and millions of articles, available anytime and anywhere.
- Tech to Go offers three-day checkout of cameras, projectors, telescopes and more.
- Textbooks for classes with 100+ students or costing $100+ are available to check out for two hours at a time.
- Unique primary resources available in government documents, oral history and the archives.

**Hours**
- In the fall and spring, Edmon Low Library is open Sunday at 9 a.m. until Friday at 10 p.m. and Saturday 9 a.m. to 10 p.m.
- Hours vary on holidays and are subject to change.
- Visit library.okstate.edu to see exact hours.

**Food and Drinks**
- Café Libro and vending machines are available, or students may bring their own drinks and snacks.

**Branch Libraries**
- Mary L. Williams Curriculum Materials Library, 001 Willard Hall.
- William E. Brock Memorial Library Center for Veterinary Health Sciences, 102 McElroy Hall.
Engagement
402 Classroom Building | 405-744-5601
Engagement specialists build supportive relationships with freshmen for the purpose of developing individual strategies that ensure a successful transition from high school into college life. One method for accomplishing this is to encourage students to participate in Empower: Institute for Freshman Engagement & Leadership. Empower is a year-long program that teaches professional development, academic success, cultural awareness and active participation in student organizations.

Financial Planning
119 Student Union | 405-744-1402
Financial planning counselors meet with freshmen to educate them on financial literacy and employ a variety of tools and resources to encourage financial success.

Our financial planning counselors share office space with the Office of Scholarships and Financial Aid and use a variety of methods to educate students and campus partners, including:
- Individual strategy meetings with students to map out plans to fund education or overcome financial setbacks.
- Presentations in first-year seminars for the various colleges.
- FAFSA workshops for Empower: Institute for Freshman Engagement & Leadership.
- Represent the Office of First Year Success at various campus events.

Referrals
If you or someone you know may benefit from our services, please refer them to our office using the online referral form located on our website or contact us directly.
The Department of Wellness is committed to creating a healthy campus culture for Oklahoma State University students and employees. The department seeks to promote healthy lifestyles and lifelong learning through the highest quality programs, services and facilities. More information can be found by visiting our social media sites at facebook.com/OSUWELL, and on Twitter and Instagram (@OSUWELL).

Department of Wellness Facilities

**COLVIN RECREATION CENTER**

101 Colvin Center | 405-744-5510  
wellness.okstate.edu

The Colvin Recreation Center offers 250,000 square feet of options, including 10 basketball courts, eight racquetball courts, a rock climbing wall, indoor track, two cardio theater areas, a multipurpose gym, indoor pool, outdoor pool, two dance studios, three fitness rooms, a personal training area, spin studio and free weights. Outdoors, there is a large multipurpose field and sand volleyball courts west of the Colvin Recreation Center. Added in 2017, there is an additional multipurpose playing surface on Western Road north of McElroy Road. This facility has a variety of uses, including the capability to house three full-sized soccer fields.

**THE COLVIN ANNEX**

1610 Farm Road | 405-744-5510  

The Colvin Annex features four basketball and/or volleyball courts.

**SERETEAN WELLNESS CENTER**

1514 W. Hall of Fame | 405-744-WELL (9355)

The Seretean Wellness Center features a fitness center, including a cardio/weight room, two group exercise studios, personal training area, massage therapy, Pilates, health risk assessment room, demonstration kitchen, nutrition counseling, a lecture hall and sponsored program testing center.

**CAMP REDLANDS**

405-744-5581

Located about 10 miles from the OSU campus, featuring 12 cabins, a lodge, pavilion, swimming dock, picnic area and a challenge course, this facility offers trainings and team building workshops to students, faculty, staff and the general public.
GROUP FITNESS | 405-744-5510
Group Fitness offers numerous fitness programs and classes with multiple formats at every skill level. More than 100 classes are offered each week.

INTRAMURAL SPORTS | 405-744-7407
Intramural Sports are offered in more than 50 sports activities for every skill level. Intramural Sports promote OSU’s rich tradition of friendly, competitive activities and is a rally point for socialization, exercise and competition.

OUTDOOR ADVENTURE | 405-744-5581
Outdoor Adventure provides opportunities for adventure, education and excitement. OA emphasizes environmental awareness, personal development, safety training and wilderness travel.

SPORT CLUBS | 405-744-7407
Sport Clubs are recognized student organizations designed to promote a nonvarsity sport or recreational activity. OSU offers more than 30 sport clubs.

SPONSORED PROGRAMS
Sponsored Programs consist of federal, state and privately funded grants and contracts that serve the OSU community as well as fulfill the community outreach and extension components of OSU’s land-grant mission. These programs include substance abuse prevention and assistive technology for individuals with disabilities.

PERSONAL TRAINING | 405-744-5510
Personal training matches clients with personal trainers based on their individual goals and needs.

MASSAGE THERAPY | 405-744-WELL (9355)
Massage therapy uses relaxing techniques to help the body transcend into an overall sense of well-being.

NUTRITION COUNSELING | 405-744-WELL (9355)
A registered dietitian counsels, examines and assists individual eating habits in the development of a practical meal plan to meet the dietary needs of OSU students, faculty and staff.

HEALTH RISK ASSESSMENTS | 405-744-WELL (9355)
HRA screenings provide an individualized health risk assessment designed for early detection of health problems.

COOKING CLASSES | 405-744-WELL (9355)
Cooking classes teach heart-healthy cooking in the demonstration kitchen at the Seretean Wellness Center.
**ROTC PROGRAMS**

**ARMY ROTC**  
311 Thatcher | 405-744-2055  
armyrotc@okstate.edu | rotc.okstate.edu

The Army Reserve Officers’ Training Corps (Army ROTC) at Oklahoma State University provides an educational training program that develops leaders and future U.S. Army officers as they complete their degrees. Army ROTC is the primary source of commissioning for officers in the active army and its reserve components (National Guard and the Army Reserve). It is a program that, in cooperation with universities, trains and commissions the future leadership of the U.S. Army. During the first two years of ROTC classes, students incur no military commitment. The four-year program is divided into two course levels. The first is the basic course (freshmen/sophomores). It is open to any student at any college level with no military obligation. The second is the advanced course, which requires specific criteria to enroll (juniors/seniors). Students entering their freshman or sophomore years can enroll in Army ROTC and petition for in-state status while actively attending and participating in Army ROTC.

The OSU Army ROTC push-up board has been a tradition during OSU football games since 1997. Cadets conduct push-ups every time OSU scores. It’s not unusual for the OSU Army Cowboy Battalion to complete as many as 1500 push-ups throughout the season.

The OSU Army ROTC Battalion fires a 75 mm pack howitzer cannon every time the OSU football team scores. This tradition has been around the stadium since 1953. The cannon itself weighs in excess of 1,500 lbs.

**AIR FORCE ROTC**  
320 Thatcher | 405-744-7744  
afrotc@okstate.edu | afrotc.okstate.edu

Air Force Reserve Officer Training Corps (AFROTC) is an outstanding opportunity to commission as an Air Force officer. Through this program, you will make the most of your college experience. You will hone your time-management skills, analytical skills and physical fitness. It will not be easy. However, if you are up to the challenge, the rewards will last a lifetime! At the completion of this program, you will commission as a Second Lieutenant in the Air Force. From there you will have the opportunity to see the world and lead people in diverse career fields, including pilot, navigator, doctor, lawyer, logistician, space or nuclear operations, and many more. No matter your degree or life ambitions, there may be a place for you in the United States Air Force.
DINING & MEAL PLANS

UNIVERSITY DINING SERVICES
076 Student Union I 405-744-4424
dining@okstate.edu I dining.okstate.edu

With more than 30 unique dining options on campus, there’s something to feed every Cowboy. From national franchises to local favorites, healthy to indulgent - the options are endless! University Dining Services (UDS) goes to great lengths to ensure even the hungriest or most selective Cowboys have plenty of dining choices.

Allergen-Friendly Dining
UDS strives to meet the dietary needs of all Cowboys. The Natural, located in North Dining, is an allergen-friendly restaurant serving tasty dishes prepared in a controlled environment, using gluten-free ingredients. UDS also has a registered dietitian available to meet with students regarding any special dietary needs they may have. To schedule an appointment, call 405-744-3345.

Choose Orange
UDS is proud to partner with the Seretean Wellness Center in the Choose Orange program. The Choose Orange icon next to an item indicates a healthier dining option. The Choose Orange program is based on U.S. Dietary Guidelines and encourages students to eat more vegetables and whole grains, as well as limit their intake of saturated fat and added sugars. When making meal selections, remember that portion sizes play an important role in balanced nutrition.

MEAL PLANS
076 Student Union I 405-744-4920
dining@okstate.edu I dining.okstate.edu

Meal plans are conveniently accessed using your OSU Student ID, which can be swiped at any campus dining location. Other methods, such as a bursar charge, cash and credit/debit cards, can also be used. Each time you use your plan to purchase a meal, the exact amount will be deducted from your remaining meal plan balance. OSU’s meal plans are among the most flexible in the nation. All of the dining options are à la carte, allowing you to decide where, when and how often you want to eat. Check out the different meal plan options online at dining.okstate.edu/meal-plan.html.
OUTPATIENT MEDICAL CLINIC — The clinic is available on a walk-in or appointment basis with physicians, physician associates, licensed nurses and other health professionals.

PHARMACY — Registered pharmacists are on staff to fill prescriptions and answer questions regarding prescriptions and their interaction with other medication. The pharmacy can fill prescriptions written by physicians at the health center or from private physicians as the formulary allows.

LABORATORY SERVICES AND RADIOLOGY — This full-service laboratory and radiology department will perform lab tests and X-ray services upon request of a physician.

WOMEN’S CLINIC — The Women’s Clinic is located in a quiet, private area of University Health Services and offers information and treatment for a wide range of gynecologic needs.

IMMUNIZATIONS — Measles, tetanus, hepatitis A & B, meningitis and chicken pox vaccines, as well as, TB skin testing and vaccinations for overseas travel are provided.

HEALTH EDUCATION — Programs, presentations, health information and resources such as alcohol education, stress management and sexual health are provided on a regular basis.

ALLERGY CLINIC — UHS provides allergy injection services and allergy testing referrals by appointment only.

FLIGHT PHYSICALS — Second- and third-class flight physicals for commercial and private pilots are available.

INSURANCE OFFICE — The insurance office provides information and assistance for students enrolled in the OSU Student Health Insurance Plan or helps students with claim filing for medical services received from OSU University Health Services.

Fees and Charges

University Health Services is partially funded by student fees and charges for services. Any student enrolled in at least one credit hour is eligible for services at UHS. Payment may be made using cash, check or bursar charge. The insurance office can assist with filing claims for insurance reimbursement. You’re responsible for deductibles, co-pays and nonallowed charges as defined by your insurance plan. University Health Services is neither a Medicare nor a Medicaid provider.

Health History and Immunization Requirements

The university requires new students to provide health and immunization information concerning the following:

- Measles, mumps and rubella or laboratory evidence of antibodies that indicate sufficient immunity. All new students are required to have completed the hepatitis B series. The Health History/Immunization Form at uhs.okstate.edu/forms describes these requirements fully. To submit immunization records, go to uhs.okstate.edu/compliance-policy.

Specific information regarding immunization for meningitis:

- Oklahoma Law requires that all new students living in campus housing be provided information regarding meningococcal disease and the availability of a vaccine that may prevent meningitis. This information will be sent from OSU Residential Life. As part of the housing contract, the student, or parent in the case of a minor, will attest that he or she has either received the vaccine or chosen not to be immunized against meningitis. No additional documentation of this vaccination is required.
University Counseling Services include the Alcohol and Substance Abuse Center, Reboot Center, Student Counseling Center and Student Disability Services.

**STUDENT COUNSELING CENTER**
320 Student Union | 405-744-5472
405-744-6523 (after-hours emergencies)
ucs.okstate.edu/counseling

Students are often in the middle of several transitions. These can be stressful and overwhelming at times. Help is available if needed. Our highly trained staff consists of licensed and license-eligible professional counselors, psychologists, psychiatric staff and graduate-level counseling interns.

The Student Counseling Center at OSU helps students with a range of issues including:

- Academic concerns.
- Homesickness.
- Anger.
- Motivation/procrastination.
- Anxiety.
- Medication management.
- Communication skills.
- Psychiatry.
- Depression.
- Relationship/roommate issues.
- Eating/weight issues.
- Self-esteem.
- Family concerns.
- Sexual orientation.
- Grief.
- Stress.

The Student Counseling Center is a safe zone to address any concern. If a student requires a higher level of care than we can provide, we'll work with them to find alternate resources. Students are eligible for up to 12 counseling sessions per year, and the first five sessions are free. After that, there is a $10 charge for individual sessions and a $15 charge for couple counseling sessions. Group counseling sessions are free and psychiatric services have additional fees. Fee waivers and fee reductions are available for those who qualify. Services are confidential with some exceptions. An after-hours counselor is available for emergencies through the OSU Police Department (405-744-6523).

**REBOOT CENTER**
320W Student Union | 405-744-6434
ucs.okstate.edu/reboot

The Reboot Center offers the latest in stress management technology to help students improve their health, well-being and performance. No appointment is needed. The Reboot Center is free, and there is no limit on the number of visits. Reboot is open from 8 a.m. to noon and 1 to 5 p.m. Monday through Friday.

**ALCOHOL & SUBSTANCE ABUSE CENTER**
320 Student Union | 405-744-2818
ucs.okstate.edu/alcohol-and-substance-abuse-center

The consequences of substance use, abuse and addiction affect every college campus in America, and Oklahoma State University is no exception. The transition from high school to college poses unique risks for students to develop dangerous patterns of substance use. Students with alcohol/drug problems face greater risk of dropping out due to personal, financial, family and legal problems. The Alcohol & Substance Abuse staff provides a variety of professional services, including:

- ADSAC/DUI assessments and classes.
- Alcohol and drug assessments.
- Alcohol and drug education presentations.
- Consultation with concerned faculty, staff, students or parents.
- Couples and family outreach.
- Free aftercare for students who have been through inpatient/residential treatment.
- Individual and group substance abuse counseling.
- Treatment referrals.
- The center has three dually licensed substance abuse/mental health counselors and a graduate-level counselor in training services. An after-hours drug/alcohol counselor is available for emergencies through the OSU Police Department.

**STUDENT DISABILITY SERVICES**
315 Student Union
405-744-7116 (Voice/TTY) | 405-571-9860 (Videophone)
sds.okstate.edu

Student Disability Services provides academic support services to students with documented disabilities. Our goal is to provide assistance that will allow equal opportunity and equal access education for each student. Academic support services include specialized testing, classroom accommodations, accessible textbooks, access to/assistance with assistive technology and other services as necessary. Students may request services by contacting SDS and providing appropriate disability documentation.
PETE’S PET POSSE
hr.okstate.edu/pettherapy | pettherapy@okstate.edu
Pete’s Pet Posse, OSU’s pet therapy program, was established as a wellness program in fall 2013 through a cooperative effort across many campus departments. Pete’s Pet Posse was created to positively enhance physical and emotional health, and contribute to the success of being America’s HEALTHIEST Campus®. Pet therapy teams must submit an application to the Pet Therapy Advisory Board and complete extensive training, including a Canine Good Citizen certificate and registration with Alliance of Therapy Dogs. The dogs provide an additional wellness benefit to faculty, staff, students and even visitors. These animals belong to families of employees and others affiliated with OSU, not to the university.

Animals on Campus
Only dogs specifically recognized by Pete’s Pet Posse and dogs identified as service animals as defined by the Americans with Disabilities Act are allowed in campus buildings. Approved emotional support animals are restricted to residential housing. Other than in the case of these limited exceptions, pets and emotional support animals are not to be in campus buildings.

BEHAVIORAL CONSULTATION TEAM
405-744-3333 | bct.okstate.edu
The Behavioral Consultation Team is a specially trained group of professional staff members. The team investigates and evaluates threats and other concerning behavior. It implements strategies for managing individuals who may pose a threat of harm. The team’s goal is to work with all parties involved to ensure a safe campus environment. If you see something, say something. The vigilance of all Cowboys is critical in keeping the campus safe. Team members can’t handle a situation until they are aware of it. The university expects all members of our community to act quickly and responsibly if they hear or see something that is out of the ordinary. It’s important to report any concerns.

- In an emergency, call 911.
- Behavioral Consultation Team hotline (weekdays, 8 a.m. to 5 p.m. only): 405-744-3333.
- After business hours in nonemergency cases, call OSU PD at 405-744-6523.

STUDENT CONDUCT EDUCATION & ADMINISTRATION
328 Student Union | 405-744-5470
student.conduct@okstate.edu
studentconduct.okstate.edu
Student Conduct Education and Administration staff meet with students to assess situations of possible nonacademic misconduct as described in the Student Code of Conduct. SCEA offers education and support to students who may be struggling with behavioral issues and enforces OSU’s community standards.

Code of Conduct
When students enroll at Oklahoma State University, they voluntarily accept terms of performance and behavior consistent with the university’s mission, processes and functions, and accept responsibility for compliance with all university policies and contracts, including the Student Code of Conduct. In general, these obligations are considered much higher than the obligations imposed by civil and criminal law. Each student is responsible for reading the Student Code of Conduct and must agree to abide by it in order to enroll. The Code of Conduct is available online at studentconduct.okstate.edu/code and in print from the Office of Student Conduct Education and Administration in 328 Student Union.

Cowboy Community Standards
OSU students should follow these behavioral guidelines:

- **Citizenship:** Be civically responsible and engaged to improve our campus and community.
- **Academics:** Respect Oklahoma State University’s commitment to academic integrity and uphold the values of honesty and responsibility that preserve our academic community.
- **Responsibility:** Accept responsibility for your learning, personal behavior and future success, appropriately challenging others to do the same.
- **Diversity:** Behave in a manner that recognizes and respects individual differences, supporting both pluralism and inclusiveness.
- **Safety:** Do no harm and help maintain the safety and welfare of the campus community by immediately reporting unusual or dangerous behavior.

To seek help with student behavioral issues and report concerning student behavior or violations of the Student Code of Conduct, contact the Student Conduct Education & Administration office.
Oklahoma State University is committed to ensuring the health, safety and welfare of persons and protection of property on the OSU campus. The efforts of the OSU Police Department and the efforts of all faculty, staff and students have gained OSU the reputation of being one of the safest campuses in the Big 12 Conference. OSU's Police Department was the first in the state to receive accreditation from the Oklahoma Association of Chiefs of Police.

With all officers dedicated to the philosophy of community policing, OSU has 34 sworn officers who patrol 24 hours a day. The OSU Police has mutual aid agreements with both Stillwater Police and the Payne County Sheriff’s Office, allowing for cooperation in enforcement activities. OSU’s officers are also able to assist students with minor automotive issues, such as dead batteries, keys locked in the vehicle or adding air to a flat tire. In general, students can avoid problems by:

- Locking up valuables and keeping them out of sight in rooms or vehicles.
- Locking doors at night and when they’re away from their rooms.
- Always lock bicycles and vehicles.
- Avoiding secluded areas late at night, especially if walking alone.
- Protecting books and putting their names in them.
- Not leaving personal belongings in public areas.
- Not lending keys to anyone.
- Using complicated passwords and PINs.
- Always being aware of the location of their driver’s licenses, OSU IDs and social security cards.
- Reporting crimes or incidents immediately.
- Not using illegal substances.
- While under 21, never consuming alcoholic drinks.
- Never drinking and driving.

**Safe Walk Program**

OSU’s Safe Walk program provides trained officers to accompany students from one campus location to another between 9 p.m. and 2 a.m. Those interested in receiving assistance should call the OSU Police Department.

**Emergency Alerts (Reverse 911)**

The Campus Alert is a reverse 911 system that will notify you via text or automated voice message regarding emergencies on campus. This system will only be used in an immediate emergency. All students are encouraged to register for the reverse 911 system. To do so log into okey.okstate.edu. Once logged in:

- Click on “Campus Alerts and Notifications” in the left-hand navigation bar.
- Submit an emergency contact number, which should be a student cell phone number.
- Contact the IT Helpdesk (405-744-4357 or helpdesk@okstate.edu) with questions or problems.

**Crime Prevention**

OSU has implemented measures to prevent criminal activity on its campus and surrounding areas, including:

- An emergency telephone system throughout campus and the Greek community.
- Emergency 911 dialing and 24-hour patrols.
- Campus foot patrol by uniformed officers, bicycle officers and undercover officers.
- Burglar alarms in key areas and 24-hour staff in residence halls.
- Partnerships with custodial staff occupying buildings after hours to report suspicious activity.
- Crime prevention seminars conducted each semester with staff and student groups.
- Surveillance cameras in chosen parking areas.

**Facilities Access**

Most buildings on campus are open during business and class hours. Residence halls are open 6 a.m. to midnight Sunday-Thursday, and 6 a.m. to 2 a.m. on Friday and Saturday except in some designated halls. All residence halls have key or electronic door locks for after-hours security, but individual rooms should be locked at all times and doors should never be propped open.

**Orange Shield**

The Orange Shield app, which is free to download, can connect students to campus police and will let authorities know their location should an emergency occur. This app also includes access to the Safe Walk program, iReports and a bus schedule.
BEING on CAMPUS
Welcome, Students & Families!

Thank you for choosing Oklahoma State University. This can be an exciting time, as well as a time of anxiety. That is why I want you to know the Department of Housing & Residential Life is committed to providing a safe and positive living-learning environment.

OSU offers many opportunities for students to be involved within the campus community. We think our residential community educators, assistant residential community educators and community mentors can serve as catalysts in connecting students to co-curricular opportunities. Research has indicated that if students are actively engaged outside of the classroom, they increase their chances of performing well academically and have an overall higher level of satisfaction. We also staff our facilities 24 hours a day to assist students with both routine concerns and emergency situations.

Our mission is to provide safe, affordable and well-maintained residential communities, which encourage individuals to value learning, respect diversity, act responsibly, promote service and foster engagement. In addition, we provide outstanding service and a commitment to student safety. You should never hesitate to contact our office if you have any questions or concerns regarding our facilities and services.

Thank you,

Leon McClinton, Jr., Ph.D.
Director, Housing & Residential Life

Housing & Residential Life
100 Iba Hall | 4405-744-5592
reslife@okstate.edu | reslife.okstate.edu

More than 6,000 students call the OSU campus home. At OSU, the residence halls are more than just places to sleep and eat. They are exciting, active communities that promote personal and academic well-being. Twenty-six residence halls, more than 30 dining options and seven family-first apartment neighborhoods fit every need and budget.

Living Away From Home

Statistically, students who live on campus are more involved, graduate earlier and make better grades than students who live off campus. There is always something to do, people to meet and experiences to share.

Preparing to live in the residence halls can be very exciting and somewhat stressful. You can go to the Housing & Residential Life website to find all the information you’ll need to know about moving into the halls and living on campus.

Applying for Housing

If you applied early, you may have already selected your room for the coming year. Congratulations — you’ve completed the housing process. If you’ve applied for housing and haven’t selected your room, this just means your name hasn’t come to the top of our system yet, but you’ll be getting an email to your Oklahoma State account soon. The email will include your time slot for logging in to the residential life reservation system to pick your room, hall and roommate for the coming year.
Moving In

The residence hall move-in dates for fall are Wednesday, Aug. 15 for freshmen and Aug. 16 for continuing students. Talk to your roommate(s) as you prepare to move to OSU. Discuss who is bringing what, so you can all lighten your loads. Who really needs three microwaves? If you live within a few hours of campus, you might consider bringing your personal items in shifts. Do you really need all of your sweatshirts in August? When you arrive on move-in day, there will be campus volunteers to assist in unloading your car and helping you to the halls. There will be shopping carts and dollies to help, but you might want to bring your own as supplies are limited. A packing checklist is available at reslife.okstate.edu.

Housing and Housing Rates

OSU offers attractive and convenient housing on campus, with options to meet every lifestyle and budget. There are three styles of housing to choose from: community-style halls, suites and apartments. All bills are covered in the room rent, including electricity, water, sewer, expanded basic cable television and OSU computer access. There is only one deposit to make. Please check the Housing & Residential Life website for current housing rates at reslife.okstate.edu.

Living Learning Programs (LLPs)

Housing and Residential Life offers many different Living Learning Programs (LLPs) and special interest housing options on campus. These communities provide a great opportunity to live with other students that share your interests and may take classes with you. By living in a community that strives to connect academics and residential life, students are ensuring that they will become connected to campus right away. To find the LLP that best fits you, visit reslife.okstate.edu/current-residents/living-learning-programs.

PARKING & TRANSIT SERVICES

1006 W. Hall of Fame | 405-744-6525
parking.okstate.edu

Parking on Campus: Any motor vehicle parked on university property on weekdays between 5 a.m. and 5 p.m. must display a valid OSU parking permit. The color and type of permit indicate where the vehicle may be parked. Students must be assigned to a residence hall before a permit can be purchased. Permits can be purchased beginning Aug. 1 for the fall semester or anytime thereafter for spring semesters. Bicycle registration is free and required. They can be obtained from Parking and Transit Services or online and must be parked only at approved bicycle racks. Students may rent a bike through the OrangeRide program. Learn more at parking.okstate.edu/pk_orangeride.

Transit Services: THE BUS is the campus and community transit service and on-demand paratransit service operated by the Department of Parking and Transportation Services year-round, available from 6:30 a.m. to 10:30 p.m. Monday through Friday during the school year and 6:30 a.m. to 7 p.m. during the summer. Route and time information available online at transit.okstate.edu. THE BUS also offers live bus tracking at thebus.okstate.edu.

Tulsa Shuttle: BOB, OSU’s Big Orange Bus, is a shuttle service between the Stillwater and Tulsa campuses. There are nine trips daily from each campus Monday through Thursday and seven trips on Friday. It is open to the public. The cost is $7.50 one way for students and $13 one way for faculty/staff and the public. Reservations can be made online at shuttle.okstate.edu, or stop by the shuttle office in Stillwater at 1006 W. Hall of Fame. Visit shuttle.okstate.edu/Schedules/index for the shuttle schedule.
Welcome Week is a campuswide celebration that kicks off the start of the fall semester. It’s a great time for you to meet new friends, learn traditions and find out more about OSU. Attend as many events as you can fit into your schedule so you can meet new friends and connect with OSU.

Welcome Week starts with a special freshman move-in date on Aug. 15 and kicks off your college career with five days of great experiences, including New Student Convocation, campus tours, academic meetings, motivational presentations, class photo, Party on the Field at Boone Pickens Stadium, Residential Life Bash and showcases of clubs and organizations.
Leadership requires students to be actively engaged in creative problem-solving in and out of the classroom. Learning how to plan activities and working with peers to develop and communicate ideas with enthusiasm are skills that you’ll use after graduation. A wide range of student organizations and leadership coursework is available for credit. With more than 500 student organizations on the OSU campus, leaders are born and real-world experience is gained here.

Oklahoma State University’s Center for Ethical Leadership is dedicated to preparing individuals to take on the challenges and responsibilities of leadership in a global society. Through the center, students develop skills, knowledge and abilities to make productive, beneficial choices about their lives as well as contribute to society. The center’s leadership program enriches the student leadership experience through a variety of programs and services including:

- Formal curricular and extension courses.
- A renowned speaker series.
- Seminars.
- Workshops.
- Service-learning opportunities.
- Retreats.

CampusLink is an online tool that combines information about all student organizations, individual student involvement and official transcripts of leadership and volunteer service. All students are encouraged to log in to CampusLink and use the tools available to manage their involvement while attending OSU.

Students are encouraged to take advantage of meaningful service-learning activities and volunteer on and off campus through nonprofit agencies and community service days. Since its creation in 1984, the Service Learning Volunteer Center has enriched the lives of our community members through intergenerational and interpretive service projects. With approximately 100,000 hours of community service, we continue to set and reach new goals. The center works in three major areas: volunteerism, service learning and civic engagement.

- **Volunteerism** — Getting involved in on- and off-campus community service projects is a tradition at Oklahoma State University. The Volunteer Center’s goal is to introduce volunteerism and bring together students within the Stillwater community. Since the Volunteer Center’s founding, thousands of civic-minded students, staff and faculty members have taken the first step in solving problems by offering their talents through working with community nonprofit agencies, public schools and medical service organizations.

- **Service Learning** — OSU actively supports service learning through a wide range of activities, including engaged experiences, service learning (curricular and co-curricular) and internships.

- **Civic Engagement** — The general definition of civic engagement is individual and collective actions designed to identify and address issues of public concern. Civic engagement includes individual volunteer work to organizational involvement to elected participation. It can include efforts to directly address an issue, working with others in a community to solve a problem or interacting with the institutions of representative democracy.
NON-TRADITIONAL

NON-TRADITIONAL STUDENT ORGANIZATION
211 Student Union | 405-744-7508
ntso@okstate.edu | nontrads.okstate.edu

The Non-Traditional Student Organization is a group of students dedicated to helping fellow nontraditional students succeed at OSU. The NTSO holds monthly meetings and a variety of activities for nontraditional students and their families. Each year, the group sponsors the Cowboy Angel Tree to provide Christmas gifts to underprivileged children in Stillwater. The group continues to provide information to the administration regarding the need for day care on the OSU campus. NTSO officers are proud to advocate for nontraditional students in general or, if a specific issue arises, for a student.

GREEK LIFE

FRATERNITY & SORORITY AFFAIRS
211J Student Union | 405-744-5490
gogreek@okstate.edu | gogreek.okstate.edu

Greek life at OSU is comprised of the fraternity and sorority members on campus. More than 4,500 students make up the community, which consists of four governing councils: the Interfraternity Council (IFC), the Multicultural Greek Council (MGC), National Pan-Hellenic Council (NPHC) and Panhellenic Council. Each council has a different procedure for joining. We are proud to have a thriving system with numerous diverse, nationally recognized fraternities and sororities represented. Greek life offers a unique opportunity to have a balanced college life with a focus on academic excellence, brotherhood/sisterhood, community service and responsible social interaction.

STUDENT GOVERNMENT

STUDENT GOVERNMENT ASSOCIATION
211Q Student Union | 405-744-6500
sga@okstate.edu | sga.okstate.edu

The OSU Student Government Association strives to serve OSU students. It’s our goal to make your voice heard on campus. SGA partners with faculty, staff and the Board of Regents to ensure that OSU is constantly improving. Composed of three branches — the executive branch, student senate and supreme court — SGA sponsors events to help the school and the student body. The best way to have your voice heard is to begin with student government. SGA takes student concerns to the highest levels on your behalf. In addition, each academic college has their own student council governing its respective student organizations. Each of those councils work with the Student Government Association.
Study in another country to explore other cultures, gain a new perspective, improve your professional potential and enhance your overall college experience. The OSU Study Abroad and National Student Exchange office coordinates a variety of academic programs, both international and domestic, that help OSU students connect with the world. In addition to the short-term, faculty-led programs offered through each academic college, OSU students may also study abroad for a summer, semester or full academic year.

Services provided by the Study Abroad office include:

- Individualized Study Abroad and National Student Exchange advising.
- Information on funding study abroad programs.
- A comprehensive resource library of study and travel materials.
- A connection between international universities and study abroad students.
- Orientations for incoming and outgoing students and their families.
- Educational seminars and presentations to campus groups when requested.
- Mentoring programs for incoming international exchange students.

Study as close as Texas and as far away as New Zealand through:

- Reciprocal exchange (semester or full-year international study abroad).
- Affiliated/approved programs (summer, semester or full-year international study abroad).
- Faculty-led short term and summer programs.
- National Student Exchange (semester or full-year domestic study abroad).

Whether you’re interested in taking intensive language classes, fulfilling general education requirements or taking specific courses for your major, there are hundreds of program options available. Through mutual exchange, you can study at more than 60 universities abroad for a semester or a full year while paying the same tuition you pay at OSU and using financial aid and scholarships. Watch for weekly information sessions on campus or stop by the study abroad office for more information.
INSTITUTIONAL DIVERSITY

DIVISION OF INSTITUTIONAL DIVERSITY

405-744-9154 | diversity.okstate.edu

The Division of Institutional Diversity’s goal is to maintain a university system that is socially, culturally and globally competent, and embraces and promotes a more inclusive world. The Division is home to the following entities:

OFFICE OF MULTICULTURAL AFFAIRS

240 Student Union | 405-744-5481 | oma.okstate.edu

The Office of Multicultural Affairs (OMA) is a place for students of different cultures, backgrounds and experiences to come together in an effort to learn more about each other and about themselves. OMA takes a holistic approach to empower OSU students to think and act in ways that will embrace and promote a more inclusive world. We aim to assist students in achieving academic excellence, developing their personal and professional character and engaging in the campus and greater community. OMA is home to several cultural affinity groups, including:

- African-American Student Association.
- Asian-American Student Association.
- Hispanic Students Association.
- Minority Women’s Association.
- National Association for the Advancement of Colored People.
- National Organization for Women.
- Oklahoma State Queers and Allies.
- Vietnamese American Student Association.
- Women’s Programs.
- Women’s Resource Center Student Alliance.

In addition, OMA provides mentorship programs that promote the successful transition of incoming first-year, sophomore and transfer students to the OSU community. OMA promotes mentorship, leadership and community for all students in order to assist them in achieving their academic goals and preparing them for life after graduation. Additional opportunities for involvement include academic seminars, cultural experiences, service opportunities and social programs. The mentorship programs available for students include:

- African-American Mentor Program.
- Hispanic and Latino Student Success Initiative.
- Leaders Advising, Mentoring and Building Diversity Allies.
- Retention Initiative for Asian-American Students.
- Women’s Mentorship Program.

DIVERSITY ACADEMIC SUPPORT/TRIO

422 Scott Hall | 405-744-5335 | das.okstate.edu

Diversity Academic Support’s mission is to provide resources and opportunities for academic, social and emotional growth. DAS is engaged in activities that are designed to help create a more inclusively diverse community of learners at Oklahoma State University.

Inclusion Leadership Program (ILP)

This program consists of a yearlong leadership program designed to equip OSU students and students from high schools in Stillwater, Oklahoma City and Tulsa with the skills and knowledge to become effective leaders in a more diversely inclusive society.

Retention Initiative for Student Excellence (RISE)

RISE is designed to assist students in their transition from high school to OSU and address all of the academic needs they may face. The program provides scheduled study group sessions, tutoring as needed and other services.

STUDENT SUPPORT SERVICES (SSS)

405-744-5335 | das.okstate.edu/sss

Student Support Services is a federally funded TRiO program that allows selected educational institutions or agencies to provide fundamental support to students at the college level with academic coursework, financial aid, career goals and the transition to college life.

OKLAHOMA LOUIS STOKES ALLIANCES FOR MINORITY PARTICIPATION (OK-LSAMP)

430 Scott Hall | 405-744-6710 | ok-lsamp.okstate.edu

OK-LSAMP, a National Science Foundation award, is a consortium of Oklahoma colleges and universities working together to develop programs aimed at increasing the number of students from historically underrepresented populations who receive degrees in science, technology, engineering and mathematics (STEM) disciplines with undergraduate research experiences, graduate school preparation and international experiences.

CENTER FOR SOVEREIGN NATIONS

(DIVISION OF ACADEMIC AFFAIRS)

104 Life Sciences East | sovnationcenter.okstate.edu

The Center for Sovereign Nations is a home base for American Indian students on campus. Understanding tribal sovereignty enables our students, faculty and staff to respect and utilize appropriate protocols when engaging the 39 federally recognized tribal nations in Oklahoma. The center is also home to the Native American Student Association.
The University Store has the largest, best selection of merchandise for inside and outside of the classroom. As the official on-campus retailer of Oklahoma State University, it’s the ultimate shopping destination for students, faculty, staff, alumni and visitors. Not to mention, unlike privately-owned bookstores or online retailers, when you shop at the University Store, all of your purchases benefit OSU and its students. The University Store recognizes that students have many choices when it comes to purchasing textbooks. It only hopes you will make the choice to shop at the one store that gives you more – in more ways than one!

What you can find inside the University Store

- **Textbooks** – The University Store strives to offer the best prices possible through a diverse assortment of new, used, rental and digital course materials.
- **Supplies** – These include items such as pens, highlighters, notebooks, lab goggles, Scantron forms and calculators to name a few.
- **Spirit merchandise** – You can never have too much orange in your closet. The University Store has you covered from head to toe.
- **OrangeTech** – Located inside the University Store, sells the most cutting-edge electronic products.

We Give You More

The University Store supports almost 75 percent of the operations of the OSU Student Union and funds a substantial portion of the operational costs of the Department of Leadership & Campus Life.

Textbooks Pro Tips

- Save time. Skip the lines. Buy or rent your textbooks from the University Store online at shopokstate.com and have them delivered, or use the store’s convenient in-store pick up window.
- Don’t write in or unwrap your textbooks until you’re sure you’ll be keeping them for the semester in case you need to return them.
- Keep your receipt! When you shop at the University Store, you can return any book you don’t need within the first 10 days of classes.

The OrangeTech Difference

- **Customer Service** – OrangeTech believes technology is not just about the product, it is about the experience. At OrangeTech, they won’t just sell you a computer, they will help you set it up, make sure you know how to use it and be there to answer any questions you have along the way.
- **Service & Repair** – Having trouble with your computer? Bring it in to the Tech Bar. OrangeTech’s certified repair technicians are here to help no matter how big or small the problem may be.
- **Financing** – Tech now, pay later with OrangeTech’s low-interest financing options available in partnership with the University & Community Federal Credit Union, conveniently located in the basement of the OSU Student Union.
- **Trade It In** – Already have a computer or tablet, but want to upgrade? Don’t just dump your old electronics. Get paid to recycle them. Bring your unwanted devices in, and let OrangeTech give you a quote on their trade-in value.

Athletics

**Athletic Ticket Information**

405-744-5745 | 877-ALL-4-OSU | @OSUAthletics

With 18 varsity sports, OSU students can experience the big-time atmosphere of the Big 12 Conference throughout the year at Cowboy and Cowgirl home games. Students can buy the All-Sports Pass (home sporting events for the school year) for $250 online at okstate.com/students. Students are encouraged to check out Student POSSE. Open to all students, sign-up is free and members receive the latest information on the Cowboys and Cowgirls via the POSSE e-newsletter. Student POSSE members also receive five POSSE priority points and a student POSSE decal.
INFORMATION TECHNOLOGY

421 Classroom Building | 405-744-HELP (4357)
helpdesk@okstate.edu | it.okstate.edu

Information Technology (IT) is dedicated to making technology use at OSU easy. IT develops and provides campuswide technology services, such as email, cloud file storage, online course applications, security, software, network, remote printing, and virtual and physical computer labs. Visit the IT website for links to free software, online FAQs and other forms of technology support.

OSU-IT Helpdesk: The OSU-IT Helpdesk is where you go or call when you need help with your computer, mobile device and technology questions. All questions on any type of system are welcome.

• Face-to-face help: 421 Classroom Building, Monday through Friday, 8 a.m. to 5 p.m.
• Phone/email help: Monday through Friday, 7 a.m. to 12 a.m.

IT Services and Tools

DOCUMENT STORAGE: You can store files in your Cowboy Mail Microsoft® Office 365™ and G Suite by Google Cloud accounts. Cowboy Mail has 1 TB of online file storage. G Suite has unlimited storage for Google app docs and 1 GB for non-Google docs. Get to your document storage by going to Cowboy Mail (cowboymail.okstate.edu), or Orange Mail (orangemail.okstate.edu). After signing in, click the application icon on the right side of the tool bar available in both systems.

• EMAIL: Your official OSU email address will end in “@okstate.edu.” Official OSU communications will be sent to this address. In O-Key, you select which delivery system you want to deliver your OSU email: Cowboy Mail – a part of Microsoft® Office 365™, or Orange Mail – a part of G Suite by Google Cloud. Both systems have numerous productivity tools, all of which are available to you.

• ID CARD: Use your ID card for on-campus purchases, meal plan transactions, access to events, entering the Colvin Recreation Center, authorized door access, free off-campus bus transportation and library checkouts. If you lose your ID card, you will be charged a fee for replacement. If your card is damaged through normal use, replacement is free with the return of the damaged card. Go to ID Services in 421 Classroom Building for assistance.

• LABS (IT): Use any of the three physical IT labs on campus for individual or group work. You will have access to a number of desktop computers, printers and scanners. Print at no charge. For more details, go to labs.okstate.edu.
Career Services promotes employment and internship opportunities for students through employer relations and student education. Employment assistance is available for part-time jobs, work-study jobs, internships and full-time positions. Career Services provides links to job postings, résumé referrals and employment connections. Begin your path to a rewarding career by logging on to HireOSUgrads.com. Register and increase your visibility with potential internships, part-time and full-time positions.

College Career Consultants

Career and academic decisions go hand in hand. Career Services consultants and academic advisers can help you bridge majors, minors, skills and careers. Even when you know your chosen academic and career path, multiple major and direction changes may still happen. Career Services consultants can help students with their career development needs, including major selection, by using a variety of career assessments. Offices across campus offer the following for students:

• Part-time/full-time/internship listings through HireOSUgrads.com.
• Individualized career advice.
• Campuswide career fairs.
• On-campus interviews.
• Résumé development/critiques.
• Mock interview days.
• Employer connections.
• Internship information.
• Job search strategies and tools.
• Major and career connections.
• Career exploration.

OSU ALUMNI ASSOCIATION

201 ConocoPhillips OSU Alumni Center | 405-744-5368
info@orangeconnection.org | orangeconnection.org

Membership in the OSU Alumni Association, which is open to all graduates, students, fans and friends, is the most recognizable way of expressing your loyalty and affinity to Oklahoma State. All members receive the famous orange ball car decal along with a membership card to present for discounts at select merchants. Life members also receive a certificate, life member lapel pin and annual life member gift. More on how to join and benefits can be found at orangeconnection.org. Current students can join the OSU Alumni Association in three different ways:

• Student Life Membership
  Our student life payment plan is the most popular option and allows current students to make eight $75 Bursar payments (one per semester for four years) to purchase a life membership at a $400 discount. (Students also receive Student Alumni Association benefits)

• Life Membership
  Secure your connection for life to OSU even before graduation! Student life members receive all of our standard life member benefits including a STATE magazine subscription and annual calendar. Students make a one-time payment of $600, a savings of $400. (Students also receive Student Alumni Association benefits)

• Student Alumni Association
  Begin your connection for life to OSU by joining the Student Alumni Association! Receive great benefits like BEAT T-shirts and local discounts along with insider tips in our OrangeBytes e-newsletter.
Dear Cowboy Parents,

Welcome to the OSU family! The Division of Student Affairs provides critical services for your student — housing, health care, counseling, student disability services, career services, dining, the Student Union, Greek Life, recreation/wellness and more. We have awesome services on campus and would welcome your help in referring your student to these services.

Our student development goals include academic excellence, leadership, service, helping students discover their purpose and passions, developing cultural competencies and wellness (good physical and mental health).

Please encourage your student to sign up for Welcome Week, Aug. 16-19. This program introduces students to OSU programs and services, and offers them the opportunity to meet fellow students, administrators and faculty before classes begin. It’s free.

Please don’t hesitate to call me if you have any questions or concerns. My phone number is 405-744-5328.

Welcome to OSU!

Sincerely,

Lee E. Bird, Ph.D.
Vice President for Student Affairs

OSU’s Cowboy Parents serves as your liaison office to the university. Cowboy Parents’ mission is to enhance communication between OSU and the family members of OSU students, empower families to play a supporting role in the education of their children, provide families a forum for networking with other OSU families and give them an active role in promoting OSU’s excellence. Our association is free to join and sponsors and supports events and activities on campus. Members can stay up-to-date with important dates, deadlines and campus events by subscribing to the monthly Cowboy Parents newsletters online at parents.okstate.edu. Your student has made a good decision to attend Oklahoma State University and we hope that you will make the decision to join Cowboy Parents.
FAMILY WEEKENDS

Family Weekends are fun-filled weekends that give students the opportunity to invite their parents to join them on campus. It brings students and family members together for a weekend of fun, fellowship and recognition that includes activities to benefit the family and the university community. The fall Family Weekend has a focus on dads (known as Dad’s Day) and includes a home football game. The spring Family Weekend has a focus on moms (known as Mom’s Day) and includes Spring Sing and other related events. All parents, however, are welcome at both events.

Dear Parents,

I’d like to offer my advice to you about your student’s new start at OSU in three parts. First, trust that you’ve done a good job raising your child and that the values and skills that you’ve instilled in them will continue to serve them well as they enter adulthood. Of course, you can still be available for a face-to-face visit, but if you let go a little bit more each day and support them from a distance with a phone call, text or letter, you’ll be amazed at how well they manage their lives using your solid foundation and their own wits.

Second, remember yourself as an 18-year-old and reflect on the joy you felt when you did something on your own for the first time. Yes, mistakes will be made; they’re some of the best teachers that young adults will ever have. College students' lives literally unfold before them day by day and can be exciting and scary. Your reassurance that they can and will achieve their goals, even when they make mistakes, is very important to them.

Finally, remember the goals you’ve always wanted to achieve and start writing the next chapters in your own life. This is a time for new beginnings for everyone, so take advantage of the extra time you may find yourself with to start or restart your own college career, travel, volunteer in your community or find a new hobby. After all, why should your kid have all the fun?

Congratulations! I hope to see you all on Family Weekends!

Fran Gragg
Assistant Director, Campus Life
Making the Transition

Choosing to attend college is a big decision, one that some students don’t always make for themselves. For many, college is the next logical step. For others, the decision is life-changing, especially if the student is a first-generation college student. The bottom line is that there is no “typical” college student, and no matter their background, there will be transitions ahead.

Supporting Your Student

Transitions are not limited to the first few weeks. While no list is all-inclusive, the following are a few areas you may want to consider when talking with your student throughout the year.

**AUGUST**
Freshmen generally experience an overall excitement, along with feelings of being homesick, initial roommate worries, abuse of freedom, multiple calls, visits home and other changes. Transfer students will be adjusting to a new academic system and may also be facing their first time away from home.

**SEPTEMBER**
The first bursar bill is issued Sept. 1. Financial planning counselors are available for guidance on personal finances. In addition, the first set of tests generally come in the fourth or fifth week of each semester. Other concerns can be possible roommate challenges, finding ways to get involved with student groups and initiating friendships.

**OCTOBER**
Six-week grades for freshman- and sophomore-level courses are posted. Some may experience the results of poor time management related to school work. There may be issues with fitting in and establishing an identity.

**NOVEMBER**
Fall illnesses, tests and papers due, enrollment for the next semester, apprehension and excitement about going home or not for Thanksgiving and family holiday traditions can all cause anxiety.

**DECEMBER**
Finals week, last projects, money issues, as well as more mixed feelings about going home for winter break and family traditions might be of concern.

**JANUARY**
It’s a new semester and decisions and adjustments regarding fall semester performance will need to be made.

**FEBRUARY**
Some students may be upset about Valentine’s Day, some miss home, some are relieved to be back at school, and some just want winter to end.

**MARCH**
Spring break, making choices for the next school year, such as deciding to keep current majors or consider new ones, midterms, summer employment or internships may mean stress.

**APRIL**
As spring returns, the end of the semester is coming fast. Questions of “Am I in the right place? Am I heading in the right direction?” become apparent.

**MAY**
Final exams, last-minute summer planning, choosing to stay or go home, feeling upset about leaving friends, overwhelmed that the first year at OSU is over, wondering if they accomplished what was attempted can all cause questions.
Some common concerns for all incoming students include:

- Separation issues.
- Independence.
- Degree choice.
- Career questions.
- Study skills.
- Time management.
- Being accepted.
- Understanding the OSU system.
- Staying healthy.

We believe the best way you can help your students is to:

- Listen to their fears.
- Help them take initiative.
- Be aware of campus resources.
- Send notes/care packages.
- Avoid “taking care of everything.”
- Stay open and positive.
- Encourage them to connect with an upperclassman, staff member, faculty member or other mentor.

DISCOURAGEMENT ISSUES

Area of Concern

The first time your son comes home, he seems a little withdrawn, surprising you because every conversation while he’s been at school has been OK. You chalk it up to getting a handle on his new life. On Sunday, before he leaves for school, he finally tells you that he hasn’t felt well, his classes are difficult and he just isn’t sure that college is for him. He’s unhappy with his major choice, doesn’t feel as though he’s connecting with new friends and isn’t enjoying college life in general.

Considerations

What kind of expectations did your student have about college? Was this more difficult than he expected? Did he know his own personal reasons for attending? Does he have an idea of what he wants to do following college, or does he even see the need for college in his future? Is his health OK? If he has ever seen a counselor for related issues, this might be a good time to revisit that relationship in the college setting. Sometimes having a third party to talk with is just what a student needs to discover a more objective approach to a situation. OSU counselors are skilled at recognizing transitional issues and helping students address them at appropriate levels, often using campus resources geared specifically for these situations. Not only is your student transitioning to college, but he’s also transitioning to adulthood. The pressure grows on him to know what he wants. Make sure he knows you’re available to talk and that you understand this is a big step for anyone. Also encourage him to seek help from his academic adviser or other campus resources such as those listed below.

Who can help?

- Academic advisers.
- University Counseling, 405-744-5458.
- OSU Career Services, 405-744-5253.
- University Health Services, 405-744-7665.

MONEY ISSUES

Area of Concern

Your son asks you to send more money because he has exceeded the limit on his bursar account and his meal plan is maxed out. It’s not even Thanksgiving yet, and you can’t understand why he is out of money.

Considerations

What kind of expectations have you discussed regarding spending? Is his meal plan enough? Does he realize how much he is really spending? Has he ever had a charge card? Is he letting others eat on his meal plan?

Before your student arrives for school, determine who pays for the various expenses ahead. Parking tickets? Dinners out? Clothing? What budget is your student expected to follow? How does he monitor his spending for fun things? Does he need to look into a job to cover his spending habits? Has he considered taking a job on campus? Has there been a recent family crisis that caused a tightening of the budget?

OSU extends charging privileges to students for campus-based services. Bursar accounts must remain current or charging privileges will be revoked. This will not affect meal plans with balances remaining. However, additional money cannot be added if the account is not current. Enrollment holds may also be applied if the student’s bursar account is past due.

Who can help?

- OSU Office of the Bursar — 405-744-5993.
- FYS Financial Planning Counselors — 405-744-1402.
- Scholarships and Financial Aid — 405-744-6604.
- University Counseling — 405-744-5458.
- OSU Career Services — 405-744-5253.
TRANSFER CREDIT & COURSE PLACEMENT

Oklahoma State University, in conjunction with Oklahoma’s other institutions of higher education, has developed transfer guides for academic planning when a student attends more than one school in the state. OSU Transfer Credit Guides are created for institutions from which students frequently transfer. These guides assist students in their plan to begin at one institution with the intention of graduating from another with their bachelor’s degree. Interactive transfer guides can be found at okla.st/transfercreditguides.

Transfer students should understand that everything will transfer from accredited institutions. However, how it transfers depends on your degree program. For example, if you transfer 60 hours taken toward a psychology degree and then decide you’d like to study engineering instead, chances are you’ll need to go back and take foundational math and science courses before you’ll achieve the academic credit equivalent in the engineering curriculum. Speak first with your academic adviser if you have questions about credits transferring to OSU and/or how they may be used on your degree plan. Your adviser will explain which courses transfer directly to your degree and which ones don’t. Your adviser will assist you through the process.

For additional information regarding how your transfer credits are evaluated, contact the Office of Undergraduate Admissions. For assistance with transfer issues related to “Finish Orange” or for other academic support related to transfer issues, contact University College’s Office of Transfer and Veteran Services at 405-744-1389.

OFF-CAMPUS STUDENT ASSOCIATION

211 Student Union | 405-744-7283
ocs@okstate.edu | osuoffcampus.org

Like the OSU Student Government Association, the Off-Campus Student Association develops networks and works to ensure issues related to the off-campus student population are heard. The purpose of the OCSA is to serve all off-campus students as a general representative body. The OCSA represents the views of its constituents to the university and the community in matters of concern, including, but not limited to:

- Interests of off-campus students in OSU, SGA, local, state and national civic affairs.
- Serving as a source of fellowship for uniting off-campus students.
- Promoting off-campus student involvement in the university.
- Assisting off-campus students to find suitable housing and in resolving roommate and landlord conflicts or other rental issues.

FINISH ORANGE

Are you looking to take your associate degree to the next level by completing your bachelor’s degree at OSU? Our Finish Orange plans are semester-by-semester guides to completing your associate degree and then your bachelor’s degree at OSU.

TAU SIGMA HONOR SOCIETY

tausigmanhs.org

Tau Sigma is an academic honor society designed specifically to recognize and promote the academic excellence and involvement of transfer students. Tau Sigma recognizes the academic excellence of transfer students, while encouraging and promoting involvement in the university community, especially in activities that assist other transfer students in making a successful transition.

Students are invited to join this organization after completing one semester (12 credit hours or more) at OSU and earning at least a 3.5 OSU GPA. Invitations are typically mailed in May and February. For more information, visit the Tau Sigma National Honor Society website at tausigmanhs.org or contact OSU Tau Sigma adviser Amy Cole-Smith at 405-744-1392 or amcol@okstate.edu.
DIFFERENCES BETWEEN COMMUNITY COLLEGE AND A COMPREHENSIVE UNIVERSITY

The transitional issues of a transfer student depend heavily on the previous environment. Most transfer students enter OSU with anywhere from a semester of credit to two or more years experience at previous institutions. Often, transfer students have been living at home to save money and have had the support of family and many high school friends nearby. If this describes you, your transition to OSU will most likely be similar to that of an incoming freshman, minus the basic concerns about what college courses are like.

At a two-year school:
- Living close to family and friends often provides built-in support.
- Attendance may have been required.
- Community or junior college courses are all lower level (freshman and sophomore).
- Smaller campuses have fewer buildings.
- Fewer nonacademic involvement opportunities are available.

Attending a comprehensive university:
- May be farther from home and existing support network.
- Coursework builds on foundational classes from the lower division.
- May be a larger campus than previously attended, with resources spread across buildings.
- Students may be expected to do more work on their own.
- Campus involvement opportunities are everywhere, and overinvolvement may become an issue. Close attention to time management is needed.
- If the student is transferring from freshman- or sophomore-level courses into junior- or senior-level courses, the academic expectations shift greatly.

OFFICE OF VETERAN STUDENT ACADEMIC SERVICES (UNIVERSITY COLLEGE)

040 Student Union | 405-744-1389
universitycollege.okstate.edu/veterans.html
militaryveterans@okstate.edu

The Office of Veteran Student Academic Services, within the University College at Oklahoma State University, is here to help veterans be successful on campus. Beyond easing the transition from military service to campus life, the Veteran Student Academic Services staff is here to support veterans through graduation and onto rewarding careers and/or graduate-level education programs. The office is your link to services both on and off campus, including federal, state, community and campus assets available to assist you or your family.

VETERAN BENEFIT SERVICES (OFFICE OF THE REGISTRAR)

322 Student Union | 405-744-6343
registrar.okstate.edu/Veteran-Benefit-Services
veteransbenefits@okstate.edu

The Veteran Benefit Services office deals primarily with processing education benefits offered through the U.S. Department of Veterans Affairs (VA). Visit our website for information on the following:

- Certification Requirements for Education Chapters.
- Benefits Programs.
- Post 9/11 (Chapter 33) GI Bill.
- Yellow Ribbon Program.
- Military Education Transfer Credit.
- VA Forms Online.
- War Orphans Education Assistance — DEAP (Survivors and Dependents Education Assistance Program — Chapter 35).
- Licensing and Certification Exams.
- National Tests.
- Military Leave/Call Up.
The International Students & Scholars Office (ISS) is the immigration headquarters for the OSU campus as well as the services office for international students, scholars, faculty and their dependents. At ISS, you must initially complete federally required registration in SEVIS (Student Exchange Visitor Information System). ISS services include SEVIS registration, employment registration and authorization, sponsored student services, cultural presentations, International Student Organization coordination and various other services. International students attending OSU will have the added responsibility of maintaining their immigration status.

Medical Forms
405-744-7665 | uhs.okstate.edu/forms

The State of Oklahoma has immunization requirements for college and university students that include measles, mumps, rubella and hepatitis. Tuberculosis (TB) testing is also required and available at the Student Health Center.

University Health Services requires students to fill out a health history and immunization form. It is recommended that you complete this form before your arrival on campus. Students should note that they will not be allowed to enroll in their second semester at OSU until this form has been completed.

Medical Insurance

Medical Insurance is required for all international students at Oklahoma State University and their dependents, as U.S. medical care is extremely expensive.

International Student Organization
iso@okstate.edu

Founded in 1978, the International Student Organization (ISO) is the umbrella organization for 20 area clubs that represent 20 cultures from around the world. Open to all students attending OSU, we represent more than 1,700 international students and scholars from more than 100 countries around the world.

The purpose of ISO is to:

- Foster a spirit of friendship and cooperation among all international students at OSU.
- Promote social and cultural exchange between international students and the community.
- Provide an organized body by means of which international students can cooperate in matters of common concerns and student welfare.
- Bring closer relations among international students, the OSU administration, faculty and the student body.
ACADEMIC ADVISER A faculty or staff member who assists students in selecting courses to fulfill degree requirements and discuss academic goals.

BANNER ID A student’s unique ID number to designate them within the OSU System.

BOB (BIG ORANGE BUS) Refers to the buses that run between the OSU-Stillwater and Tulsa campuses.

THE BUS OSU’s transit buses, commonly referred to as The Bus, completes circuits around campus as well as the community on a regularly scheduled system throughout the day.

COMMON TESTS/FINALS Typically used for courses with a large number of sections, they’re scheduled at one time in several locations to accommodate students from all sections of a particular course.

CREDIT HOUR The unit of credit earned for coursework that typically requires a semester to complete.

D2L Desire2Learn is the online classroom interface that many professors use to disseminate information to students (my.okstate.edu).

DEAN An administrator who oversees all aspects of a particular academic college.

DEPARTMENT HEAD A faculty member appointed to coordinate the activities of the faculty and students within a particular department.

FAFSA The Free Application for Federal Student Aid.

FULL-/PART-TIME STATUS Undergraduate students enrolled in 12 or more semester credit hours during the fall or spring semesters are considered full time. Full-time enrollment for the summer semester is six hours.

LOWER DIVISION/UPPER DIVISION Lower division courses have a first digit of 1 or 2. Upper level courses are all those with the first digit of a 3 or 4. Graduate level courses contain a first digit of 5 or higher. These definitions affect the tuition charged and the type of prerequisites required for enrolling in the course.

MAJOR Field of study where most emphasis will be placed.

MINOR Field of study where secondary emphasis will be placed.

MORTAR BOARD Daily planning calendar compiled for students featuring campus events and activities.

PRE-ENROLLMENT Refers to the advising time prior to the student’s actual enrollment day. Students begin to enroll for the next semester after the midpoint of the current semester. This date is determined by the total number of graduation/retention hours earned, not including the current hours in which they’re enrolled.

DEAD WEEK The week immediately preceding finals week.

PREREQUISITE A course or courses that must be completed as a condition for enrolling in another course. The catalog states prerequisites for specific courses. GPA or number of hours completed may constitute a prerequisite.

SECTIONS Course sections refer to the different classes offered for a single subject or course. Some courses have many sections to allow for flexibility in scheduling.

SYLLABUS A document including the rules, assignments and policies that govern a particular class. Typically, the syllabus is distributed on the first day of class. Students are responsible for all materials included in this document, including test and assignment dates, and the absence policy.
