Tips for Success at OSU

- Adapt your academic skills
- Study 2-3 hours for each hour of class
- Avoid temptation to skip class

Avg. GPA for Excess Absences: 1.39
A&S 1111: First Year Seminar

• Ease the transition to college
• Academic Skills
  • Faculty expectations of you
  • How to best study for a comprehensive final
  • How to keep up, instead of catch up
  • Some sections targeted to majors
• Required for all freshmen
END OF SEMESTER

What can I do to pass your class?

Well, that’s simply not going to happen.

1 With approval from the advisor and department head, a maximum of 30 hours from an accredited doctoral law or health professional may be used for this degree, including the 12 hours and 15 hours of electives. Up to 2 hours may be substituted from the required PSYC 4213 Introduction to Research Methods in Psychology.
2 The foreign language requirement for the B.S., B.M., and B.F.A. may be satisfied by presenting a high school transcript which demonstrates two years of study of a single foreign language (passing grades at second year level of study). It may also be satisfied by submitting college-level credit in the same language, which must include language courses 173 and 1813, or equivalent proficiency (e.g., passing an advanced standing examination, TOEFL exam, presenting a high school transcript which demonstrates the high school was primarily conducted in a language other than English, etc.). Computer Science courses may not be used to satisfy this requirement. Current Arabic and Hebrew are not offered at the 2000 level or above.
3. The language foreign requirement for the B.S., B.M., and B.F.A. may be satisfied by presenting a high school transcript which demonstrates two years of study of a single foreign language (passing grades at second year level of study). It may also be satisfied by submitting college-level credit in the same language, which must include language courses 173 and 1813, or equivalent proficiency (e.g., passing an advanced standing examination, TOEFL exam, presenting a high school transcript which demonstrates the high school was primarily conducted in a language other than English, etc.). Computer Science courses may not be used to satisfy this requirement. In addition to a and b, students pursuing teacher certification must meet native language foreign proficiency by presenting a high school transcript which demonstrates two years of study of a single foreign language with no grade below B. Or students may complete 3 hours college credit in a single language with no grade below B (S) or (Pass) an advanced standing examination, College Level Examination Program (CLEP) exam, or Oral Proficiency Interview developed by the American Council on the Teaching of Foreign Languages, equivalent to 3 hours of college credit (C). Or students may meet the requirement by transfer of documentation of equivalent proficiency in the foreign language competency from one of the teacher education programs in the States of Oklahoma approved by the Oklahoma State Regents for Higher Education.
