

Freshman Orientation

2017 PROGRAMS

Student Programs

OVERNIGHT PROGRAMS

Overnight orientation & enrollment programs benefit students and parents who want more time to work through the enrollment process or visit campus offices. During the Overnight Programs, you will:

- Visit with academic advisers twice: once on Day 1 with family, and again on Day 2 to enroll for classes.
- Spend additional time with orientation leaders in small groups to answer questions.
- Attend information breakout sessions.
- Participate in evening programs with other freshmen.

ONE-DAY PROGRAMS

One-Day Programs are designed for students who have attended multiple campus recruitment events, are certain of their academic major choice and able to make quick decisions. You will meet with academic advisers just once in the afternoon to enroll in classes.

ORIENTATION PLUS (recommended)

The Orientation Plus Program automatically registers you for Camp Cowboy (Friday through Sunday) when you sign up for a Thursday-through-Friday Overnight Program. You'll get to experience the best that both orientation and Camp Cowboy have to offer!*

Family Programs

Parent and family programs run parallel with all types of freshman programs and include information about the university, academic services, scholarships and financial aid, campus safety, parent connections and campus resources.

Camp Cowboy

Camp Cowboy is a fun-filled weekend experience where students form connections, engage in team-building activities, join in small group discussions and get fired up at the Spirit Sessions with OSU athletes and coaches. There are many activities to choose from such as swimming, volleyball, a ropes course and time around a bonfire.*

*There are additional costs associated with these programs. Camp Cowboy scholarships and waivers are available.
