The Department of Campus Life serves the OSU community by providing programs and services geared toward the needs of all our constituents from student organizations to the parents of students, from international students to study abroad groups. Our diverse staff is responsible for the following areas: Allied Arts and Special Events, Fraternity and Sorority Affairs, International Students and Scholars, Parent and Family Relations, Non-Traditional Student Services, Off Campus Student Association, Service Learning/Volunteer Center, Center for Ethical Leadership, Student Union Programs, Camp Cowboy, Student Organizations and SGA, as well as a number of services provided to assist student groups, faculty and staff. Our staff challenges students to enhance their academic experience through a broad choice of leadership and service oriented programs. Such programs enrich the educational, cultural and social development of students and contribute to the rich heritage of involvement and service for which our students are known. Campus Life also provides resources for students wishing to establish a new student organization on campus. Please visit campuslife.okstate.edu for more information.

Services offered through Campus Life include:

- Insurance for OSU-sponsored trips
- Scheduling of Bennett Chapel
- Notary public
- Registering posters, fliers and signs
- Student organization records
- Motor Pool requests
- Campus work orders for student groups
- Scholarship/membership applications
- Reserving campus grounds for outdoor activities including the Library Lawns

The Campus Life office is located in 211 Student Union on the northeast corner of the second floor.

CampusLink is OSU’s student organization/leadership development/volunteer service database. This site provides information on events, activities and organizations that are active at Oklahoma State. As the premier activities site at Oklahoma State, CampusLink provides a great, simple and free location for creating/advertising events and other pertinent student organization information and websites. CampusLink allows student organizations to host elections, contact members and much more. All student organizations at OSU are required to keep their information in CampusLink up to date as this is the central location for organization contact information.

In order to log into CampusLink, you need to use your O-Key information (okstate.edu e-mail and password). The first time you login, you will be asked to create a profile. This will include your essential information (name, contact information, etc.) and an opportunity to list your interests. Based on the interests you submit, you will receive recommendations for organizations that you can join, enabling you to more easily become involved at OSU.

You can search for organizations through a number of methods: alphabetically, by category, typing in the name or by interest. Just click on the “Organization” tab on the home page and you will find your options on the left side of the page. Once you locate an organization that you are interested in and you want to contact, click “About” on the left side of the page, where you will find contact information for the organization. To return to the main page click “Oklahoma State University” on the upper left side of the page and click “Home” on the dropdown menu box.

A great feature in CampusLink is the “My Involvement” tab. Here you can modify your interests, track all of your current and past involvement, monitor the community service hours you have submitted through student organizations and more. All of this information allows you to produce a co-curricular Student Development Transcript, which is an official university document confirming all of your leadership positions, memberships and community service.

Be sure to check out the website at campuslink.okstate.edu for more information. If you have any questions on how to manage CampusLink contact Marie Basler at (405) 744-5488 or marie.basler@okstate.edu or the graduate assistant for Campus Life at (405) 744-5486 or campus.link@okstate.edu.
